Engine:	6-cylinder	Power/Torque:	240kW / 450Nm

Price incl. GST

\$128,750

[1] IMPORTANT INFORMATION ABOUT OUR DATA

Fuel consumption is determined in accordance with the ECE driving cycle (93/116/EC) made up of approximately one third urban traffic and two thirds extra-urban driving (based on the distance covered). CO₂ emissions are measured in addition to fuel consumption.

All data is presented based on a vehicle of this model with standard equipment as tested for the German market. Where those vehicles are available in a right hand drive variant, they can be specially ordered from the factory by New Zealand customers.

Figures given for unladen weight in kg is based on vehicle with standard equipment and includes a 90 per cent tank filling, 68 kg allowance for the driver and 7 kg allowance for luggage. Optional equipment may increase this figure. The performance and fuel consumption rates listed are based on the use of RON 98 fuel.

Actual figures for fuel consumption and emissions will depend on many factors including traffic conditions, driving habits, prevailing conditions and your vehicle's actual equipment, condition and use. Test figures are unlikely to be achieved in real world driving conditions and should only be used for comparing one vehicle with another.

Further information about the official fuel consumption and the official specific CO₂ emissions for new passenger vehicles can be found in the 'New Passenger Vehicle Fuel Consumption and CO₂ Emission Guidelines', which are available free of charge at all sales outlets, from Deutsche Automobil Treuhand GmbH (DAT), Hellmuth-Hirth-Str. 1, 73760 Ostfildern, Germany, or at <http://www.dat.de/en/offers/publications/guideline-for-fuel-consumption.html>.

STANDARD EQUIPMENT.

420i

Transmission and technology

- 8-speed sport automatic transmission with gearshift paddles
- Auto Start/Stop function
- BMW TwinPower Turbo 4-cylinder petrol engine
- Brake Energy Regeneration
- Break-pad wear indicator
- Condition Based Service
- Driving Experience Control with ECO Pro and Sport+ Mode
- Electric power steering with Servotronic
- Electronic differential lock
- Launch control
- Start/Stop button, incl. keyless engine start

Light and Sight

- Exterior mirrors with automatic anti-dazzle function
- High-beam Assist
- Interior rear-view mirror with automatic anti-dazzle function
- LED Headlights
- LED Fog Lights
- Rain sensor, incl. automatic headlight activation
- Lights package, incl. various interior lights
- Rear lights with LED technology

Driver assistance

- Cruise Control with braking function

BMW Offers & Services.

BMW Financial Services

BMW Group Financial Services is your one stop shop for all your Finance, Leasing and Insurance needs. Each BMW dealership has a dedicated Business Manager who can put together a tailored finance and insurance package, to make getting into your next BMW even easier.

Speak to your Business Manager today about our Finance and Insurance products.

Genuine BMW Service

Quality and safety are the essence of a Genuine BMW Service. When you buy a BMW, you can look forward to superb service and comprehensive customer care.

BMW Service Inclusive is complimentary with all BMW's sold new in New Zealand for a period of 3 years, so you don't have to waste a moment thinking about the cost of maintenance for your vehicle.

For more information visit bmw.co.nz/service

BMW Driving Experience

If you've ever wondered why a BMW is the Ultimate Driving Machine, a BMW Driving Experience course is for you.

Sign up for a BMW Driving Experience course and you will learn what these remarkable vehicles can really do. More importantly, you will also acquire essential skills that will enhance your driving ability and safety.

For more information, call 0508 BMW DRIVE (0508 269374) or email BMW@tracktime.co.nz

BMW ConnectedDrive.

The BMW ConnectedDrive Services & Apps are on hand to make sure you have more time for the important things in life. Various innovations by BMW make things more convenient for you every day – whenever you want.

Concierge Service is a personal telematic call service that connects you to a BMW operator, who will be able to quickly access the information you need 7 days a week, 24 hours a day.

Emergency Call is standard for every new BMW. With either the manual or the automatic emergency call, details of your vehicle and location will be sent directly to an Emergency Service Centre.

Real Time Traffic Information (RTTI) provides a precise account of current traffic in real time. The information is presented on the Navigation map using colourful visualisation of traffic status, with diversion recommendations based on the current traffic situation.

BMW Connected App.

The BMW Connected app learns your mobility routines, reads your calendar and knows when you need to leave, providing customers with a personal experience that is integrated into their everyday life. The app will allow customers to fully unleash the capabilities of BMW's innovative technologies intuitively through your smartphone.

Learned destinations

BMW Connected learns your most frequently travelled routes and provides them as 'learned destinations' for future suggestions. If destinations are repeatedly visited, they are automatically listed at the usual time.

Remote Services

Stay in touch with your BMW where ever you are. You can perform online searches powered by Google™, find your vehicle Location, lock & unlock your doors and flash the headlights or honk the horn to find your car.

Share Live Trip Status

Using the BMW Connected+ feature "Share Live Trip Status", you can let others have details of your journey, live and in real time. To do this, send a link to a selected contact, who will then be able to access a map view with your current position, destination and estimated time of arrival.
