

The Ultimate
Driving Machine

THE NEW BMW i8 COUPE AND ALL-NEW BMW i8 ROADSTER.

 DEALER SPECIFICATION GUIDE JULY 2018.

MODELS.

i8 Coupe (2Z42)*

Model Highlights:

- 20" BMW i light alloy wheels Radial-spoke style
- 516 Bicolour
- All-wheel drive plug-in hybrid drivetrain concept
- BMW Display Key
- BMW Head-Up Display
- Carbon Fibre Reinforced Polymer (CFRP) roof
- Comfort Access System
- Driving Assistant
- Dynamic Damper Control
- Engine cover in black leather
- HiFi loudspeaker system Harman Kardon
- Leather covered instrument panel
- Surround View

Product Details:

Consumption:	1.8 l / 100km ^[1]	CO ₂ :	42 g / km ^[1]
0-100km/h:	4.4 sec	Transmission:	Steptronic transmission
Engine:	electro-synchronous engine + 3-cylinder petrol engine	Power/Torque:	275kW / 570Nm

Price incl. GST

\$286,200

i8 Roadster (2Z62)*

Model Highlights:

- 2 seat configuration
- Additional 92l interior storage compartment
- BMW i8 visual projector light package
- Memory function for electric seats
- Soft top roof

Product Details:

Consumption:	2.0 l / 100km ^[1]	CO ₂ :	46 g / km ^[1]
0-100km/h:	4.6 sec	Transmission:	Steptronic transmission
Engine:	electro-synchronous engine + 3-cylinder petrol engine	Power/Torque:	275kW / 570Nm

Price incl. GST

\$309,900

[1] IMPORTANT INFORMATION ABOUT OUR DATA

Fuel consumption is determined in accordance with the ECE driving cycle (93/116/EC) made up of approximately one third urban traffic and two thirds extra-urban driving (based on the distance covered). CO₂ emissions are measured in addition to fuel consumption. All data is presented based on a vehicle of this model with standard equipment as tested for the German market. Where those vehicles are available in a right hand drive variant, they can be specially ordered from the factory by New Zealand customers. Figures given for unladen weight in kg is based on vehicle with standard equipment and includes a 90 per cent tank filling, 68 kg allowance for the driver and 7 kg allowance for luggage. Optional equipment may increase this figure. The performance and fuel consumption rates listed are based on the use of RON 98 fuel. Actual figures for fuel consumption, range and emissions will depend on many factors including traffic conditions, driving habits, prevailing conditions and your vehicle's actual equipment, condition and use. Test figures are unlikely to be achieved in real world driving conditions and should only be used for comparing one vehicle with another. Further information about the official fuel consumption and the official specific CO₂ emissions for new passenger vehicles can be found in the 'New Passenger Vehicle Fuel Consumption and CO₂ Emission Guidelines', which are available free of charge at all sales outlets, from Deutsche Automobil Treuhand GmbH (DAT), Hellmuth-Hirth-Str. 1, 73760 Ostfildern, Germany, or at <http://www.dat.de/en/offers/publications/guideline-for-fuel-consumption.html>. *Optional equipment shown in the picture.

STANDARD EQUIPMENT.

i8 Coupe

Transmission and technology

- 2-speed transmission, driving the front wheels
- 6-speed automatic transmission, driving the rear wheels, with gearshift paddles on the steering wheel
- All-wheel drive plug-in hybrid drivetrain concept, electric motor delivering drive to the front wheels and a petrol engine delivering drive to the rear wheels
- BMW eDrive electric motor, 360V DC. Front-mounted.
- BMW TwinPower Turbo 3-cylinder petrol engine
- Brake energy regeneration
- Condition Based Service
- Drive Performance Control with Comfort, ECO PRO and Sport modes
- Dynamic Damper Control
- eDrive mode for pure electric driving
- Li-Ion battery, consisting of 6 modules with 34Ah
- Servotronic variable Electric Power Steering (EPS)
- Start/Stop button with Comfort Go keyless start

Charging

- AC charging, type 1, max. Power 3.7kW, charge time 2 hour 30 mins to 80% (depending on local charging infrastructure)
- Charging cable, 5m length with storage space under bonnet

Exterior design and features

- 20" BMW i light alloy wheels Radial-spoke style 516 Bicolour with mixed tyres
- BMW Mobility Kit with tyre sealing system
- Brake callipers in high-gloss black and BMW i designation
- Butterfly Door design, with lifting / turning function upwards towards the front
- Carbon Fibre Reinforced Polymer (CFRP) roof
- Kidney grille, with black high-gloss centre and contrast surround
- Tyre pressure indicator
- Window recess cover in high-gloss black

Light and Sight

- Interior and exterior mirrors with automatic anti-dazzle function, including electric folding function
- LED headlights with extended contents incl. High-beam assistance
- LED high-level brake light integrated in rear spoiler
- Lights package
- Rain sensor

Safety

- Alarm system
- Acoustic pedestrian protection
- Airbags: driver and front passenger airbags, curtain head airbags in the front and rear, side airbags for driver and front passenger (seat-integrated)
- Brakes: disc brakes at the front and rear, ventilated
- Central locking with electronic immobiliser, crash sensor
- Dynamic Braking lights
- Dynamic Stability Control (DSC) incl. Antilock Braking System (ABS), Brake Assistant, Cornering Brake Control (CBC) and Dynamic Traction Control (DTC).
- Lightweight Carbon Fibre Reinforced Polymer (CFRP) body structure
- Parking brake, electromechanical
- Warning triangle and first aid kit

Driver assistance

- BMW Head-Up Display
- Cruise control with braking function
- Driving Assistant
- Park Distance Control (PDC), front and rear
- Person warning with light city braking function and approach control warning with light city braking function.
- Surround View incl. Rear View Camera

Interior design, comfort and equipment

- 4 seat configuration
- Armrest, front centre. Foldable with integrated storage compartment
- Automatic air conditioning
- BMW Display Key
- Ceramic surrounds for controls
- Comfort Access System, keyless vehicle access and engine start
- Electric front seat adjustment
- Engine cover in black leather
- Floor mats in velour
- Headlining in anthracite
- Instrument cluster, 8.8" colour TFT display with speedometer, range information, power and battery regeneration display
- Interior trim finishers 'DryCarbon'
- Leather covered instrument panel
- Seat belts in BMW i blue
- Seat heating for driver and front passenger
- Sports leather steering wheel with multifunction buttons
- Storage compartment package

Entertainment, communication and information

- Convenience telephony with extended Smartphone connectivity
- DAB+ digital radio tuner
- HiFi loudspeaker system Harman Kardon
- Navigation System Professional, including free-standing 10.25" full colour touch display with 1280 x 480 pixel resolution
- On-board computer
- Preparation for Apple CarPlay
- USB audio interface

ConnectedDrive features

- Concierge Services
- ConnectedDrive Services
- Intelligent Emergency Call
- Real Time Traffic Information (RTTI)
- Remote Services
- TeleServices

i8 Roadster in addition to i8 Coupe

- 2 seat configuration
- Additional 92l interior storage compartment
- BMW i8 visual projector light package
- Memory function for electric seats
- Soft top roof

BMW Offers & Services.

BMW Financial Services

BMW Group Financial Services is your one stop shop for all your Finance, Leasing and Insurance needs. Each BMW dealership has a dedicated Business Manager who can put together a tailored finance and insurance package, to make getting into your next BMW even easier.

Speak to your Business Manager today about our Finance and Insurance products.

Genuine BMW Service

Quality and safety are the essence of a Genuine BMW Service. When you buy a BMW, you can look forward to superb service and comprehensive customer care.

BMW Service Inclusive is complimentary with all BMW's sold new in New Zealand for a period of 3 years, so you don't have to waste a moment thinking about the cost of maintenance for your vehicle.

For more information visit bmw.co.nz/service

BMW Driving Experience

If you've ever wondered why a BMW is the Ultimate Driving Machine, a BMW Driving Experience course is for you.

Sign up for a BMW Driving Experience course and you will learn what these remarkable vehicles can really do. More importantly, you will also acquire essential skills that will enhance your driving ability and safety.

For more information, call 0508 BMW DRIVE (0508 269374) or email BMW@tracktime.co.nz

BMW ConnectedDrive.

The BMW ConnectedDrive Services & Apps are on hand to make sure you have more time for the important things in life. Various innovations by BMW make things more convenient for you every day – whenever you want.

Concierge Service is a personal telematic call service that connects you to a BMW operator, who will be able to quickly access the information you need 7 days a week, 24 hours a day.

Emergency Call is standard for every new BMW. With either the manual or the automatic emergency call, details of your vehicle and location will be sent directly to an Emergency Service Centre.

Real Time Traffic Information (RTTI) provides a precise account of current traffic in real time. The information is presented on the Navigation map using colourful visualisation of traffic status, with diversion recommendations based on the current traffic situation.

BMW Connected App.

The BMW Connected app learns your mobility routines, reads your calendar and knows when you need to leave, providing customers with a personal experience that is integrated into their everyday life. The app will allow customers to fully unleash the capabilities of BMW's innovative technologies intuitively through your smartphone.

Learned destinations

BMW Connected learns your most frequently travelled routes and provides them as 'learned destinations' for future suggestions. If destinations are repeatedly visited, they are automatically listed at the usual time.

Remote Services

Stay in touch with your BMW where ever you are. You can perform online searches powered by Google™, find your vehicle Location, lock & unlock your doors and flash the headlights or honk the horn to find your car.

Share Live Trip Status

Using the BMW Connected+ feature "Share Live Trip Status", you can let others have details of your journey, live and in real time. To do this, send a link to a selected contact, who will then be able to access a map view with your current position, destination and estimated time of arrival.
