\$70,900

[1] IMPORTANT INFORMATION ABOUT OUR DATA

Fuel consumption is determined in accordance with the ECE driving cycle (93/116/EC) made up of approximately one third urban traffic and two thirds extra-urban driving (based on the distance covered). CO₂ emissions are measured in addition to fuel consumption.

All data is presented based on a vehicle of this model with standard equipment as tested for the German market. Where those vehicles are available in a right hand drive variant, they can be specially ordered from the factory by New Zealand customers.

Figures given for unladen weight in kg is based on vehicle with standard equipment and includes a 90 per cent tank filling, 68 kg allowance for the driver and 7 kg allowance for luggage. Optional equipment may increase this figure. The performance and fuel consumption rates listed are based on the use of RON 98 fuel.

Actual figures for fuel consumption and emissions will depend on many factors including traffic conditions, driving habits, prevailing conditions and your vehicle's actual equipment, condition and use. Test figures are unlikely to be achieved in real world driving conditions and should only be used for comparing one vehicle with another.

Further information about the official fuel consumption and the official specific CO₂ emissions for new passenger vehicles can be found in the 'New Passenger Vehicle Fuel Consumption and CO₂ Emission Guidelines', which are available free of charge at all sales outlets, from Deutsche Automobil Treuhand GmbH (DAT), Hellmuth-Hirth-Str. 1, 73760 Ostfildern, Germany, or at <http://www.dat.de/en/offers/publications/guideline-for-fuel-consumption.html>.

MODELS.

xDrive20i (YH52)

Model Highlights:

- 8-speed Steptronic Sport transmission with gearshift paddles
- xDrive, intelligent all-wheel drive system

Product Details:

| | | | |
|------------------------|---------------|-------------------|------------------------------------|
| Consumption: | 6.5 l / 100km | CO ₂ : | 148g / km |

- Cruise control with braking function
- Driving Assistant
- Lane Departure Warning
- Park Distance Control (PDC) front and rear
- Parking Assistant
- Rear View Camera
- Speed Limit Info

Safety

- Approach control warning with light city braking
- Airbags, for front, side and head'
- Crash Sensor
- Dynamic braking lights
- Dynamic Stability Control (DSC), Anti-lock Braking System (ABS), Braking Assistant, Dynamic Brake Control (DBC), Dynamic Traction Control (DTC)
- Electrically operated park brake
- ISOFIX child seat mounting
- Three-point seat belts
- Safety body shell
- Warning triangle and first aid kit

Entertainment, communication and information

- Bluetooth connectivity
- Enhanced telephony with extended smartphone connectivity
- Navigation system with 6.5" central information touch display
- Loudspeakers System
- Radio Professional
- Trip Computer
- USB audio interface

ConnectedDrive features

- Concierge Services
- BMW CONNECTED +
- Intelligent Emergency Call
- Real Time Traffic Information (RTTI)
- Remote Services
- TeleServices

Interior design, comfort and equipment

- Armrest in the front with storage compartment
- Automatic climate control, 2-zone
- Automatic tailgate operation
- Electric windows front and rear
- Interior trim finishers black high-gloss with highlight trim finisher in Pearl Chrome
- Multifunctional steering wheel
- Standard seats for driver and front passenger
- Storage compartment package
- Through-loading system
- Upholstery, 'Sensatec'

sDrive20i in addition to sDrive18i

- 7-speed Steptronic sport transmission with double clutch and gearshift paddles on steering wheel
- 19" M light alloy wheels Y-spoke style 722 M
- BMW Individual headliner anthracite
- BMW Individual high-gloss Shadow Line
- CD Player
- Driving Assistant Plus incl. Active Cruise Control
- Exhaust tailpipe, double round, left and right
- Interior rear-view mirror with automatic anti-dazzle function
- Interior trim finishers Aluminium Hexagon Anthracite
- M Leather steering wheel
- M Sport suspension
- M Sport X package content
- Seat heating for driver and front passenger
- Sport seats for driver and front passenger
- Upholstery, Cloth 'Micro Hexagon'/Alcantara

xDrive20i in addition to sDrive20i

- 8-speed Steptronic sport transmission with gearshift paddles on steering wheel
- xDrive, intelligent all-wheel drive system

M35i in addition to xDrive20i

- 20" M light alloy wheels Y-spoke style 721 M
- BMW Head-Up display
- Comfort access system
- Digital Radio
- Harman Kardon surround sound system
- Interior and exterior mirror package
- Lights package
- Lumbar support
- M Performance features inc. M Sport brakes
- M sports seats
- M rear spoiler
- M Sport suspension
- M Sport exhaust system
- Navigation Plus with 8.8" touch display
- Panorama glass sunroof
- Seat adjustment with memory

PACKAGES.

PACKAGES.

Vision and Sound

- **Panorama glass roof (402)**
The Panoramic glass sunroof provides mesmerising views and allows a great deal of light into the interior, lending it a particularly spacious and open ambience.
- **HiFi loudspeaker system Harman Kardon (674)**
The system's sophisticated acoustic characteristics fill the space with their impressive sound. It consists of a total of 12 loudspeakers.
- **Lights Package (563)**
The atmospheric Ambient lighting contains various LED lights and yields an ambience of pure quality.

\$3,500

sDrive18i
sDrive20i
xDrive20i
M35i

○ ○ ○ ●

Technology

- **Driving Assistant Plus (5AT)**
Not only includes systems from the Driving Assistant equipment, but also additionally includes camera-based cruise control with Stop&Go function
- **BMW Head-Up Display (610)**
Projects all information relevant to the journey directly into the driver's field of vision, allowing them to fully concentrate on driving
- **Navigation Plus (6UP)**
Brings together several useful features: a navigation system with built-in 8.8" LCD touch colour display, radio, MP3 player, RDS double tuner and an instrument cluster with high-resolution display.
- **Interior and exterior mirror package (430)**
When it is dark the automatic dimming function in the interior and exterior driver-side mirrors helps to prevent the driver from being dazzled by the headlights of cars driving behind. Automatic dipping parking function is included in this equipment.

\$4,500

○ - - ●

Comfort

- **Lumbar support (488)**
Is an air-chamber system in the driver and front passenger seat backrests that can be smoothly adjusted vertically and laterally. It provides support and effective relief for the spine, encouraging an orthopedically correct seating position.
- **Seat adjustment, electric, with memory (459)**
Makes setting the driver and front passenger seat positions particularly convenient and easy. Seat position, seat height, backrest angle and seat angle can be individually and precisely adjusted on the front seats. Two different driver seat positions, including exterior mirror angle, can be saved with the memory function.
- **Comfort access system (322)**
Innovative and easy to operate – Comfort Access makes it possible to open the front vehicle doors and tailgate without having to use the car key.

BMW Driving Experience

If you've ever wondered why a BMW is the Ultimate Driving Machine, a BMW Driving Experience course is for you.

Sign up for a BMW Driving Experience course and you will learn what these remarkable vehicles can really do. More importantly, you will also acquire essential skills that will enhance your driving ability and safety.

For more information, call 0508 BMW DRIVE (0508 269374) or email BMW@tracktime.co.nz

BMW ConnectedDrive.

The BMW ConnectedDrive Services & Apps are on hand to make sure you have more time for the important things in life. Various innovations by BMW make things more convenient for you every day – whenever you want.

Concierge Service is a personal telematic call service that connects you to a BMW operator, who will be able to quickly access the information you need 7 days a week, 24 hours a day.

Emergency Call is standard for every new BMW. With either the manual or the automatic emergency call, details of your vehicle and location will be sent directly to an Emergency Service Centre.

Real Time Traffic Information (RTTI) provides a precise account of current traffic in real time. The information is presented on the Navigation map using colourful visualisation of traffic status, with diversion recommendations based on the current traffic situation.

BMW Connected App.

The BMW Connected app learns your mobility routines, reads your calendar and knows when you need to leave, providing customers with a personal experience that is integrated into their everyday life. The app will allow customers to fully unleash the capabilities of BMW's innovative technologies intuitively through your smartphone.

Learned destinations
BMW Connected learns your most frequently travelled routes and provides them as 'learned destinations' for future suggestions. If destinations are repeatedly visited, they are automatically listed at the usual time.

Remote Services
Stay in touch with your BMW where ever you are. You can perform online searches powered by Google™, find your vehicle Location, lock & unlock your doors and flash the headlights or honk the horn to find your car.

Share Live Trip Status
Using the BMW Connected+ feature "Share Live Trip Status", you can let others have details of your journey, live and in real time. To do this, send a link to a selected contact, who will then be able to access a map view with your current position, destination and estimated time of arrival.

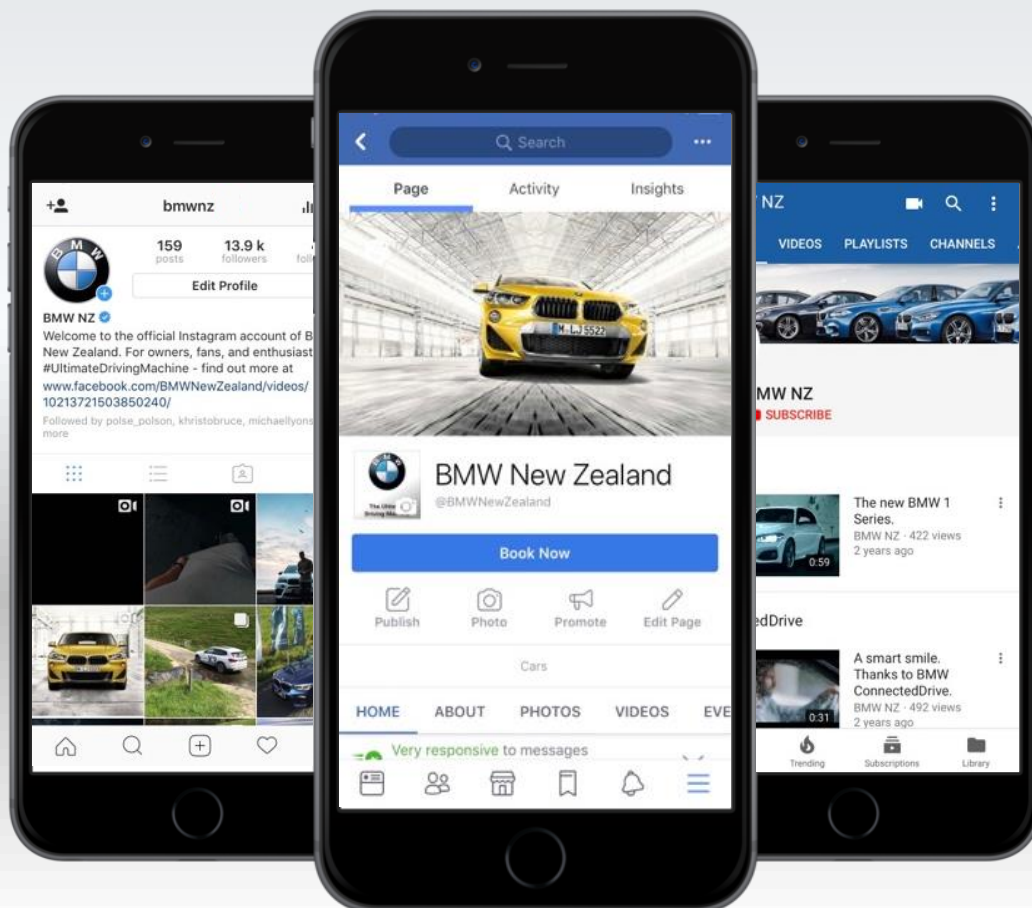

The Ultimate
Driving Machine

IMMERSE YOURSELF IN THE WORLD OF BMW.

Keeping up with the Ultimate Driving Machine has never been easier.
