

## Keybase User Guide

We are using Keybase as an open source and very secure platform for asking questions of Desda during your class.

The Keybase App is available for use on your phone and/or computer.

### 1. Choose to have it on your phone or computer

Choose your preferred way of accessing this online conversation: on your Smartphone or your Computer

### 2. Download the App

Phone: You can download it to your phone from the AppStore / PlayStore on your phone or use <https://keybase.io/download>. Look for the blue & orange icon. or

Computer: Copy this link or type into your computer browser <https://keybase.io/download>

Click the link (see **Choose One** to download) for your type of phone or computer OS.

The screenshot shows the Keybase website interface. At the top, there is a search bar labeled "Search Keybase" and a magnifying glass icon. Below the search bar, the breadcrumb "Docs > The Keybase app" is visible. On the left side, there is a sidebar menu titled "Installation" with a red box around it. The menu items are: "Intro", "macOS", "Linux", "Windows", "iPhone/iPad", and "Android". A red arrow points from the text "For more detailed installation instructions on this site" to the "Installation" sidebar. On the right side, the main content area is titled "Computers!" and "Choose One to download". It lists "macOS", "Windows", and "Linux" with corresponding icons. Below this, there is a section titled "iPhone & Android" with two buttons: "Download on the App Store" and "GET IT ON Google Play". At the bottom, it says "Keybase is open source".

### 3. Receive verification code

Verification code number will be texted to your phone or sent via email, depending upon which you designated: your phone or computer.

### 4. Create Your Username:

Before establishing your account, think about a username that will help other class members and Desda recognize you. You may use **only lower case letters** and numbers and have **no spaces** within that name.

### 5. Add Your Picture (if desired)

### 6. Click to Access the Chat

At the bottom of your phone screen, click/touch this icon (circled in red)

When it is white (shown below) you are in the *Chat for Teams* where you can see the class chat

**Also use this icon:  
when you want to open and start  
or return to the class chat for our “Team”**

### 7. From “Chat view” select **Join a Team** option

### 8. Type in search for your class name: masterclass\_21

### 9. Select **JOIN** option and type in **masterclass\_21** and click **Continue**

Join a team

Token or team name **masterclass\_21**
