

Sacred Anatomy Energy Medicine Practitioner Training Application for Practitioner Training

Dear Practitioner Applicant,

Sacred Anatomy Energy Medicine is advanced energy work and training and it is not a beginning course. This training is a profoundly powerful process that demands a full commitment. It is critical that people who want to become SAEM Practitioners are ready to step into the flow of training and the intensity of the process.

Please answer these questions deeply and explain fully. There are no wrong answers. When you complete the application, please email it to my assistant Cheryl at cheryl@yoursacredanatomy.com. These answers are for our eyes only and will not be shared with anyone else.

We have both a Word and PDF format for this application, so everyone should be able to read it. If you can, please respond to the questions by typing into the Word doc. If that is not an option, you can number and type your responses into an email.

The application is complete when the \$50 application fee is submitted. This fee is nonrefundable, but will be deducted from the cost of your Practitioner Training. [Click here to pay the application fee...](#)
