

The Big Energies

1. Anti-Inflammatory -**white and pink**, with a flare or sparkle
2. Archangels: Ariel, Gabriel, Michael & Raphael
 - Ariel (silver and blue)** always in flight; takes you over your travail; lifts you to higher elevation; invites you to be wrapped in his wings; he will hold you in his embrace as he lifts you up and over your fear.
 - Gabriel (brass/orange)** blows the trumpet; opens the gateway; opens the door to a new way of being; breaks down barriers; shatters the glass ceiling; transports us through hard things; seed of divine potential; implants the seed of design into the divine womb.
 - Raphael (blue and gold, but primarily blue)** a blue angel with an electrifying touch/ with the powerful gold light of truth; the greatest of all the great healers, he will deliver the goods!; if you are dealing with profound disease, he will deliver the potential of healing, opening the cells to the blue light.
 - Michael (gold and white armor of light)** the leader of the angel army he is huge- at least 10 feet tall; he is carrying his sword which he uses to cut through obstacles. He is Vajrapani in Tibetan and Hanuman of the Vedas.
3. Attitude of the Strength of Archangel Michael- (**silver and gold**); simply witnessing the attitude of his power is enough to strengthen.
4. Blending- (**blue and gold or silver**)
5. Clarity- (**blue and yellow, striped**)
6. Complete elimination- (**rose/purple**) moving the energy through, can come in pretty pure, like a plunger; comes in through the super receptor sites; you can bring it straight in and it either comes in or does not.
7. Complete release- (**the color of "voiding pee"**) when full or enough- then it becomes a clear color
8. HEMF Radiance- comes in (**like rainbow sprinkles**) that change color to personalize the Electromagnetic Field for each person.
9. Integration- (**silver, gold and white**)
10. Manna- (**soft golden**) for deep spiritual hunger
11. Organ Vitality- (**color depends**) on the organ- which part of the subtle anatomy, which specific site in the body
12. The Rainbow (all the rainbow colors)

13. Rainbow Lights: **(colors are stated)**
 - *White Light Cleansing
 - Rose Red Light of Love
 - Lavender Light of Awakening
 - Blue Light of Healing
 - Green Light of Growth
 - Golden Light of Truth
 - Orange Light of Harmony
 - Silver Light of Peace
14. *Recreate- **(peach)** a good energy for people who have had surgery
15. Rejuvenation- **(rose pink / peachy/ golden)** used to jump start a tired or damaged location after basic repair has been done
16. Replenish- **(soft yellow)** if something was missing now we put it back
17. Restoration of hope-**(cerulean blue)**
18. Sanctuary- **(lavender)** good for anyone who has had some kind of invasive procedure (surgery) or violation (theft, rape)
19. Sense of Function- **(blue)** like the function current of the core- the Divine light
20. Sense of Purpose-**(red)** like the central purpose current of the core, of the Divine light
21. Sense of Wisdom –**(golden)** -like the wisdom current of the core, of the Divine light
22. Balm of Gilead- **(combination of greens)** Especially helpful for working with animals and the natural world.
23. *Surrender-**(Chinese red)** if you have a hidden agenda and are overly attached this will loosen it up. The battering ram for breaking through.
24. Universal Love and Light- **(white, golden with silver flecks)** the balm of the universe. Always useful, always good.
25. Vim and Vigor- **(silver and sparkling)** fairy laughter
26. Structural Integrity- **(golden shimmering light with red pulsing core)**
Supporting the strength of the skeletal totality of the entire structure- physical and subtle.
27. Sealing the Wound- **(blue and gold)**
28. Sense of Humor

* **Not used as a replenishing energy**
