

MOLASSES XTRA - CALCIMOL

Product Specification Sheet

A calcium carbonate pre-mix which is added to Feedgrade Molasses. Designed to provide calcium during early lactation when the demand for calcium for milk production can exceed the small amounts of calcium circulating in the blood.

PRODUCT INGREDIENTS: Calcium carbonate pre-mix and Feedgrade Molasses.

TYPICAL NUTRITIONAL ANALYSIS		
	As fed basis (1kg) g/kg	DM Basis
Calcium	55	82
Crude Protein	31	46
Magnesium	2.4	3.6
Nitrogen	4.9	7.3
Phosphorous	0.54	0.81
Potassium	23	34
Sodium	0.6	0.9
Soluble Sugars (NSC)	340	507
Sulphur	2.3	3.4
Dry Matter	67%	
ME est (MJ of ME per kg DM)		11
	mg/kg (ppm)	
Cobalt	1.21	1.81
Copper	1.65	2.46
Iodine	0.78	1.16
Iron	179	267
Manganese	72	107

FEEDING RECOMMENDATION

Calcimol should be fed at the rate of 1kg (740mL) per cow per day to provide 50g of elemental calcium as lime flour. The molasses in Calcimol contains high sugar levels that are quickly fermented in the rumen providing instant energy. Consult your nutritionist or farm consultant to determine the optimal inclusion level for your particular situation.

IMPORTANT NOTES

Do not feed Calcimol to animals before calving unless you are advised to do so by a nutritionist or veterinarian. Do not allow the daily Calcimol intake to exceed 1kg.

STORAGE

Molasses is to be stored in original containers or in on-site molasses specific tanks. Molasses should be stored out of direct sunlight, at less than 20°C and avoid contact with water. If stored in the correct manner, molasses will have a shelf life of 12 months from manufacture date, unless otherwise stated.

DECLARATION

Agrifeeds® makes the following declarations in respect of the animal feed described in this specification sheet. Each of the declarations is given on the basis of Agrifeeds® knowledge at the time of issue of this specification sheet and in reliance that third parties, who supply ingredients and provide mixing/manufacturing services to create the feed, have complied with Agrifeeds® animal feed safety requirements.

- Does not contain ruminant protein and is suitable for feeding to lactating dairy animals.
- Has been processed in a plant dedicated to the production of plant based products only.
- Has been inspected after processing in accordance with appropriate official procedures, and found free from contamination by any unprocessed plant material, vermin, birds, fecal material/ other animal products.
- Consignments are imported in accordance with the Ministry for Primary Industries (MPI) standard for the Importation of Processed Animal Feeds of Plant Origins.
- The product in this product specification sheet meets all requirements under NZCP1 Code of Practice.
- Agrifeeds® have one up traceability with the product named in this product specification sheet.

THIS PRODUCT DISCLAIMER RELATING TO USE MUST BE READ AND UNDERSTOOD

Whilst this product meets the quality standard for an animal feed supplement marketed in New Zealand, the farming environment in which this product is used and how this product is used is beyond the control of Agrifeeds®. The use and application of this product requires a proper level of skill and understanding of good farming practices for the feeding and care of dairy animals.

It is a condition of sale that the purchaser of this product is solely responsible either directly or by way of supervision for its proper, skilled and informed use or application in the farming environment.

Agrifeeds® and its sales agents are neither responsible nor liable for the improper or inexperienced or uninformed use or application of this product and disclaim all and any liability to the fullest extent at law for any direct or indirect, special, or consequential loss, damage, or any other claim or liability of whatsoever nature including but not limited to results obtained, animal impairment, injury or death arising out of or flowing from such improper or inexperienced or uninformed use or application of this product in the farming environment.

All statutory, regulatory and common law warranties, guarantees, duties and any other obligations of whatsoever type or nature inconsistent with the above including but not limited to those under the Sale of Goods Act and the Consumer Guarantees Act are to the necessary and fullest extent excluded.
