Homestay

Homestay is another go-to option for student accommodation because it helps students settle in a new environment before learning to live by themselves. Homestay provides students an opportunity to live with an Australian family and learn the culture. Students are provided with meals and other amenities to make their stay very comfortable. This arrangement is mandatory for U18 students who will not be travelling with a legal guardian or family member. If you are interested in a Homestay arrangement, please contact student support.

Student Accommodation

This accommodation arrangement offers various styles and configurations such as studio (single) and shared apartments for four to six people. These apartments could be same sex or mixed.

Rental

Most rental properties require a bond and is usually equivalent to the amount of four weeks’ rent. If you have a limited budget, you may consider sharing a house or apartment with several friends or looking for share house accommodation. This allows you to split the costs among several people. Some places may ask you to sign a lease committing to 6 months or 12 months, while others may be more flexible.
Electricity:

You may need an adapter in order to plug your appliances into the power sockets. The adapter required for Australia is Type 1 Australia plug. The plugs in Australia have two flat metal pins, forming an inverted ‘V’ shape and occasionally a third pin in the centre. The electrical current in Australia is 220 – 240 volts, AC 50Hz.

Residential Tenancies Authority (RTA)

The RTA is a government established body which helps tenants with general advice. If you are unsure about signing a tenancy agreement or have any questions regarding rental properties the RTA can help you. They have an interpreting service and fact sheets translated into many different languages. If you have problems with your landlord or real estate agent that you cannot solve, you could lodge a dispute with the RTA who will then help to resolve the problem through a formal process.

www.sunqld.com

If you leave early in your lease term, (called breaking lease) your landlord or agent may seek compensation. Another thing to consider is location. It is important to think whether your accommodation is close to shops and restaurants, and how long it takes to travel to your campus and work. Consider living close to your campus, otherwise look into public transport options.
Finance

Banking

There are many banks and automatic teller machines (ATMs) where you can withdraw money from an overseas bank account. You can easily open a bank account in Australia.
All you will need is your passport, eCoE and Visa.

Budgeting for expenses in Brisbane

Living away from home can pose a great strain on any student financially. Budgeting effectively can help you to stay on top of your spending and help you manage your expenses, subsequently allowing you to have some savings.

Living costs in Australia

Knowing the average living costs in Australia is an important part of your financial preparation. For your reference, here are some of the costs associated with living and studying in Australia (all costs are in Australian dollars).

The costs below are an approximate guide only. Students should be aware that these costs can vary depending on your study location in Australia.

Accommodation

Hostels and Guesthouses - $90 to $150 per week
Shared Rental - $95 to $215 per week
Homestay - $235 to $325 per week
Rental - $185 to $440 per week
Other living expenses

- Groceries and eating out: $140 to $280 per week
- Gas, electricity: $10 to $20 per week
- Phone and Internet: $15 to $30 per week
- Public transport: $30 to $60 per week
- Car (after purchase): $150 to $260 per week
- Entertainment: $80 to $150 per week

Minimum cost of living

The Department of Home Affairs has financial requirements you must meet in order to receive a student visa for Australia. As of October 2019 the 12-month living costs are:

- For students or guardians: $21,041
- For partners coming with you: $7,362
- For a child coming with you: $3,152

All costs are per year in Australian dollars. To convert to your own currency, visit www.xe.com

The Australian Government provides information and guidance on managing your finances. You can read more at www.moneysmart.gov.au

The ‘Insider Guides Cost of Living Calculator’ is also a useful tool to help estimate your cost of living in Australia www.insiderguides.com.au/cost-of-living-calculator

If you experience financial trouble while in Australia, please talk to our student support staff for assistance.
Public Transport

Getting to our campuses is easy using public transport. Brisbane city trains, buses and ferries connect you easily from one destination to the other. A comprehensive bus service runs throughout the city, connecting outer and inner suburbs to the CBD, major shopping centres, railway stations and ferry terminals. Special Night Link bus services run after midnight on Fridays and Saturdays for late-night travellers.

Go Card

Go card is TransLink’s electronic ticket that lets you travel seamlessly on TransLink’s bus, train and ferry network. Electronic tickets are cheaper than paper tickets, are easily topped up and offer great travel benefits. You can register your card to protect your travel balance if it is lost or stolen. You can buy or top-up a go card at many locations, including many Queensland Rail and G:link stations, some busway stations, selected newsagents and 7-Eleven stores. www.translink.com.au

Driving and Parking:

Australians drive on the left-hand-side of the road, so please pay careful attention to the road and road rules when driving and crossing roads, especially if you are used to driving on the right-hand-side. If you chose to drive in Brisbane, a valid and translated (if required) international license should be in your possession every time you drive. The use of seat belts is compulsory for front and rear seat passengers. Children below the age of 5 must use the child seats while travelling in the car.

For more information, visit: www.tmr.qld.gov.au/safety
Cycling

Cycling is a very common practice in Brisbane and there are several regulations to cycling on Australian roads, such as:

- Compulsory use of helmets and safety gear
- Use of high visibility aids and lights when riding at night

1. Can I work as a student?

The Australian government permits all students to work but there are several limitations imposed on your work privilege such as:

• Permitted to work only 40 hours per fortnight
• Cannot work until your course start date has commenced even though you arrived in Australia before that date.

For more information visit:
www.homeaffairs.gov.au/trav/stud/more/work-conditions-for-student-visa-holders

2. How do I find a job?

There are several ways to search jobs around Brisbane. Job agencies and websites are good tools to assist international students. Some of the websites are:

3. How do I get paid?

Any student who is going to work in Australia must have a Tax File Number (TFN). This number is unique to every individual and will be used to determine the tax bracket you fit into based on your income. The Australian financial year runs from 1 July to 30 June and workers are expected to lodge a tax return by 31 October.

You can apply for your TFN by visiting: www.ato.gov.au/individuals/tax-file-number or phone: 13 28 61

4. Superannuation

Under Australian legislation, your employer must pay 9.5% of your salary into a super fund.

Generally, you’re entitled to Super Guarantee (SG) contributions from an employer if:

- You’re 18 years old or over, and you earn more than the threshold of $450 or more before tax in a month
- You’re under 18 years old, and you work more than 30 hours per week, and you earn $450 per month or more

The scheme applies to full time, part time and casual employees who are Australian residents or here on a working visa.

For more information please visit: www.ato.gov.au/super or phone: 13 10 20

5. Working conditions

Fair Work - employer/employee rights

While working in Australia, most jobs and working conditions are covered either by Commonwealth or State awards or certified agreements. Fair Work helps employees understand their rights and responsibilities under Australian workplace laws. This covers areas such as minimum wages, allowances, overtime, penalty rates, working hours and days off for holidays/vacations, long service or sickness. If you believe you are being treated unfairly or are not receiving your minimum rights and conditions at work, contact the Fair Work Ombudsman for free information and advice. There is also an interpreting service available.

For more information, please visit: www.fairwork.gov.au/ or phone: 13 13 94
Health

OSHC

Which insurers offer OSHC

- BUPA Australia
- Medibank Private Limited
- Nib Health Funds Limited
- Australian Health Management
- Peoplecare Health Limited (Allianz Global Assistance)

It is a standard requirement for every International student to purchase Overseas Students Health Cover (OSHC) to live and study in Australia. This provides each student with the basic services of the Australian Healthcare System such as access to an ambulance (in the case of an emergency dial 000), making an appointment with a General Practitioner (GP) and requesting a home doctor.

Most of these services are free and are covered by your insurance provider. If there is an out of pocket expense for medical services, contact your insurance provider for the possibility of claiming back the money. Please note that claims are subject to your insurance provider’s policies.

It is important you contact your OSHC insurer before being admitted to a private hospital. While private hospitals will still provide you with medical attention, be aware that not all of their services will be covered by OSHC and you may have to pay extra for these services.

The membership card is provided to you once you register your details with your OSHC provider upon arriving in Australia and it will be sent to the address you include during the registration.

Adjusting to Australian culture

Living and studying in Australia can be an exciting new adventure, but it can also present a range of challenges adjusting to living in a new country and culture. Adapting to the Australian way of life may take time and patience. It is quite normal for most students to experience homesickness from time to time and can simply be that you may be missing your family, friends or lifestyle.

If you ever feel homesick, please talk to our student support team or our student counsellor. There are also many associations in Brisbane where you can find support from people who have experienced the same feelings and challenges. It is important to give yourself some time to adjust so that you can fully experience and embrace a new and different culture!

Interpreters/Translators

The Translating and Interpreting Service (TIS National) is an interpreting service provided by the Department of Home Affairs for people who do not speak English that need to communicate with their non-English speaking clients.

If you need an interpreter from the Translating and Interpreting Service (TIS) during your medical visit, an immediate phone interpreting service is available 24 hours, every day of the year.

Protection and Legal Information

Brisbane is generally safe but here are more tips to reduce the likelihood of a mishap:

- Memorise the emergency number 000 for police and ambulance services
- When travelling in trains at night, avoid travelling in empty carriages
- If you must wait for public transportation at night, try waiting in well-lit areas or near open shops
- Try walking in groups at night and avoid shortcuts through dark areas.
- Always stay alert and be aware of your surroundings
- Always inform friends or family of your whereabouts to ensure you can be accounted for if necessary
- Ensure your personal effects and property is always kept safe and close to you to prevent it from getting stolen
- Close and lock the doors of your accommodation when leaving and before you go to bed at night
- Avoid providing personal information to strangers and institutions that you have not properly identified as genuine
- Be alert and protect yourself from being scammed. Scammers are getting increasingly sophisticated in their attempts personal details. Scamwatch is run by the Australian Competition and Consumer Commission (ACCC). It provides about how to recognise, avoid and report scams

www.scamwatch.gov.au
www.police.qld.gov.au
Beach Safety

Lifesavers are a good way to improve your safety at a beach.
• Don’t swim where there are no lifesavers
• Swimming at night is not safe
• Swim between the red and yellow flags as they are the safest areas to swim
• Always swim under supervision, or with a friend
• Always obey all signs at the beach
• Don’t swim directly after a meal
• Don’t swim under the influence of alcohol or drugs
• Avoid running and diving into the water
• Conditions change regularly, check surf conditions before you enter the water
• If you get into trouble in the water, don’t panic, raise your hand to signal for help, float and wait for assistance
• Float with a rip current or undertow. Do not swim against it

For more information, please visit: www.beachsafe.org.au

Sun Smart

The sun in Australia is very strong and can cause sun damage or skin cancer. Australia has one of the highest rates of skin cancer in the world. To avoid sunburn and lower the risk of developing skin cancer, it is important that you follow these simple precautions:

Protect your skin
For best protection, we recommend a combination of sun protection measures:

SLIP, SLOP, SLAP
• Slip on some sun-protective clothing that covers as much skin as possible
• Slop on broad spectrum, water resistant SPF30+ (or higher) sunscreen. Put it on 20 minutes before you go outdoors and every two hours afterwards. Sunscreen should never be used to extend the time you spend in the sun
• Slap on a hat – broad brim or legionnaire style to protect your face, head, neck and ears
• Seek shade
• Slide on some sunglasses – make sure they meet Australian Standards. For more information, visit: www.sunsmart.com.au
Obeying the Law

The law in Australia is intended for all Australians and visitors, which includes international students as well. Obeying the law will ensure you avoid breaching your visa conditions. Disobeying the law, in some cases could land you in jail or get your deported from the country. One prevalent law in Australia covers the topic of discrimination which is greatly frowned upon.

Every individual living in Australia must learn to respect others and not act with prejudice in relation to gender, nationality, religious beliefs disability, marital status and sexual preference.

Religion

Brisbane is a multicultural city where you can find churches, temples, mosques and religious centres. Google to find one close to you! Worship centres sometimes provide free English lessons and fun activities for international students as well.

Marriage and Domestic Violence

Under Australian law, men and women have equal rights and may choose to enter into marriage. An individual can be legally married at the age of 18. Marriage to more than one person is against the law and could be punishable by jail time.

Violence against another person is illegal in Australia. This includes physical abuse, sexual abuse, assault, social abuse, economic abuse, physiological, emotional and verbal abuse.

All forms of violence are punishable by jail sentence or deportation. For more information, visit:

- **Legal Aid Queensland**
  - Phone: 1300 651 188

- **Domestic Violence Hotline**
  - Phone: 1800 811 811

Local Regulations

Below are some of the regulations that must be adhered to when living in Australia:

• Australian law protects wildlife such as plants, trees and ferns. All protected wildlife should not be destroyed.

• Australia is very clean and maintain this cleanliness with strict littering regulations. Do not litter, rather use the disposable garbage cans provided by observing the trash description of trash and recyclables.

• Smoking is banned in many places in Australia including all airports, government offices, hospitals and health care facilities, workplaces, restaurants, shopping centres and within 5 metres of building entrances.

• Smoking and drinking are illegal for anyone under 18 years.

• All drugs not prescribed by a general practitioner can be considered as illegal.

Enrolling to study at AIBTGlobal

After enrolling with AIBTGlobal, you will be required to pay the initial deposits and material fees for your course as well as other charges for pre-enrolment services offered.

Orientation

Our Orientation program provides students with information relevant to their studies and helps international students familiarise themselves with campus life and get settled into their new life living in Australia. It also gives students an opportunity to meet their trainers and fellow students.

Attendance at Orientation sessions is compulsory for all new students commencing their course. Students will receive a welcome pack containing important information about their campus and student support services and will also receive their student ID card.

Collecting your ID card

AIBTGlobal will provide you with your Student ID card after you attend Orientation. This card is a required form of identification within our campus and is useful to receive student discounts on transport, bank fees, movies, and some other transactions. Please note that transport concession is not available for ELICOS students. For more information, please visit: www.myunidays.com/AU/en-AU
Unique student Identifier (USI)

You will need to have a Unique Student Identifier (USI) while you are studying at AIBTGlobal. A USI gives you access to your own online USI account. Your USI account will contain all your nationally recognised training records and results. You can create your USI online at [www.usi.gov.au](http://www.usi.gov.au).

Fees

Information about tuition fees and non-tuition fees are clearly documented on our Courses and Fees Brochure and under each individual qualification available on our website: [https://aibtglobal.edu.au](https://aibtglobal.edu.au).

Fees will be discussed during Student Pre-Enrolment Consultation, prior to enrolment.

Payments

Fees must be paid by the due date agreed stated prior to your enrolment. Payment of fees can be made through the various methods:

- Credit card
- Debit card
- Electronic funds transfer
- Cash

For payments options, please visit our website: [https://aibtglobal.edu.au/payments](https://aibtglobal.edu.au/payments).
Refunds

Should a student withdraw from a course for any reason, a full or partial refund may be applicable. Information outlining some of the circumstances under which a refund may be granted can be found in our Refund Policy on our website: https://aibtglobal.edu.au/support/student-forms

Competency Based Training

Competency Based Training (CBT) is an approach to teaching that focuses on allowing a student to demonstrate their ability to do something. Used in the VET sector, CBT is used to develop concrete skills and is typically based on a standard of performance expected in the workplace and industry.

CBT programs deliver qualifications that are made up of Units of Competency. Each unit defines the skills and knowledge required to effectively perform in the workplace.
Assessment is based upon the learning outcomes expected from each Unit of Competency.

Assessment

Assessment is specifically conducted to determine if a student can deliver essential outcomes related to the performance criteria within each Unit of Competency. Basically, this means assessment is conducted to see whether or not a student has the required skills and knowledge to perform effectively in the workplace. If a student’s performance in the assessment does not demonstrate the requirements, the student is marked as ‘Not Competent’, while successful performance will result in the student being deemed ‘Competent’. Assessors will look for evidence against which to base their judgements of competency.

The ways to demonstrate to our qualified assessors that you can perform to the required standard and be classed as “Competent” or “Meeting Requirements”, include:

- Being observed as you work/perform the tasks and activities
- Responses to verbal questioning
- Written response to theory questions
- Responding to a role play or case study
Submitting Assessment
You are expected to complete assessment for all units in your qualification.
You will need to submit assessment by the due date for a result to be recorded. You will receive full and detailed instructions on the requirements for each assessment, including its context and purpose; ensure you talk to your trainer and/or assessor to clarify anything that is not clear to you.

Assessment Feedback
You will receive feedback regarding the outcome of each of your assessment items. To be deemed “Competent” against a nationally accredited unit, you must meet the requirements for all elements that comprise that unit.

Plagiarism
All work that you submit must be your own. You will have signed a declaration at the start of each assessment that this will be the case. Plagiarism is taking someone else’s work and/or ideas and passing them off as your own. It is a form of cheating and is taken seriously by the college. To help you understand, the following are examples that constitute plagiarism:

- Copying sections of text and not acknowledging where the information has come from
- Mashing together multiple ‘cut and paste’ sections, without properly referencing them, to form an assessment response
- Presenting work that was done as part of a group as your own
- Using information (pictures, text, designs, ideas etc.) and not citing the original author(s)
- Unintentionally failing to cite where information has come from

Referencing
When it comes to properly acknowledging where information has come from, students should be aware of, and be able to properly use, referencing protocols.
Training and Assessment Strategies

AIBTGlobal staff are appropriately qualified and have sufficient, relevant industry experience to train and assess the courses delivered. On occasion, a subject specialist may conduct assessment in conjunction with a fully qualified assessor. You will be advised of specific instances in your course whereby this may be the case.

Our methodologies regarding training and assessment work toward ensuring our processes meet national assessment principles including Recognition of Prior Learning (RPL), and Credit Transfer (CT).

Issuing Certificates

Upon successful completion of your coursework and provided all fees are paid, a Certificate or Statement of Attainment will be issued to you within 30 calendar days of you being assessed as meeting all requirements for the course. This meets the compliance requirements under the Standards for RTOs 2015.

If for some reason the college ceases to operate whilst you are still enrolled, a Statement of Attainment will be issued to you for the units within the qualification for which you have successfully met requirements.
Student Support Services

Disability Services

We support students with disabilities and learning difficulties, giving them an equal opportunity to participate and succeed in their selected courses of study. If you have a disability and need help, our Student Support team will work with you to provide practical assistance, support, and advice for an individual support plan.

This may include:
- communicating with teachers on your behalf when required
- coordinating alternative assessment arrangements
Visa Conditions

As an international student you have legal obligations that are different from Australian students. All students need to understand the conditions of their visa grant and must take the following steps:

• Maintain enrolment in a Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS) registered course and maintain satisfactory course progress and attendance which is 80% of your allotted weekly study periods
• Continue to satisfy the requirements of the student visa grant by ensuring the main course of study matches your student visa, and that you still have financial capacity
• Notify AIBTGlobal within seven days of any change to your contact details, including home address, mobile number and email address
• Must not work more than 40 hours per fortnight during course semester but can work for unlimited hours during holidays
• Maintain health insurance cover for the entirety of your stay in Australia as failure to do so is a breach of your visa conditions
• For a full list of mandatory and discretionary visa conditions: immi.homeaffairs.gov.au/visas/already-have-a-visa/check-visa-details-and-conditions
