

# MAKE YOUR OPPORTUNITIES

## List Opportunities You've Already Had

- Lead a PD/teacher training
- Acted as PLC/team/department leader
- Mentored new teachers
- Mentored/had a student teacher
- PLC projects in data collection
- Wrote curriculum used by other teachers
- Trained on curriculum/tech for your school

When you write or talk about these, thinking about this stuff.

Consider which things you've done can fit problem/solution and the skills you want to show!

Problem

Analysis (Preliminary)

Hypothetical Solution

What you will do

Measurement/Data (Before and After ideally)

Do NOT do anything that doesn't show the skills you want to show in order to connect to what you want to be doing next! This is about YOU.

Skills what you do will show
