Product Description:

Brush-Baby WildOnes Applemint Toothpaste is the ideal choice for young children. This toothpaste has a delicious apple flavor with a hint of mint, making brushing a fun and enjoyable experience for children aged 3 and above. Simply apply a small amount to your child's toothbrush, and they are ready to go!

Key Features:

1. Safe for Kids: This toothpaste is specially designed to be safe for young children. It is SLS-free, meaning it doesn't foam excessively, and is suitable for vegans and vegetarians. The toothpaste also contains xylitol, which helps reduce sugar acids, and fluoride, which strengthens tooth enamel.

2. Free From Harmful Ingredients:

- Gluten-free
- Dairy-free
- Soy-free
- Palm oil-free
- Paraben-free
- SLS-free

Ingredients:

- Sorbitol
- Water
- Hydrated Silica
- Xylitol
- Glycerin
- Sodium Monofluorophosphate (1,023% w/w, 1350 ppm F)
- Cellulose Gum
- Cocamidopropyl Betaine
- PEG-40 Hydrogenated Castor Oil
