Incredible Sound Loved by 20 Million+ People

Big On Bass: Enjoy clear sound and big, powerful bass via 10mm drivers with BassUp technology.

Block Distracting Sounds: With Hybrid ANC on, Life Dot 3i noise cancelling earbuds filter ambient noise and unwanted sound to keep you fully immersed in your favorite music.

Talk Easy, Be Heard Clearly: Attend calls from anywhere and speak with crystal-clear clarity thanks to Life Dot 3i noise cancelling earbuds' 4 dedicated microphones.

Extended Playtime: Life Dot 3i noise cancelling earbuds offer 9 hours of battery life with hybrid active noise cancelling (ANC) off while the charging case provides another 4 additional charges.

Customize Your EQ Settings: Tailor to your taste in music via the Soundcore app and choose from 22 EQ presets or switch to transparency mode for an immersive listening experience.

PD:

Model Number: A3982

Incredible Sound Loved by 20 Million+ People

Enhanced Bass: Enjoy accurate sound and thumping bass with 10mm oversized drivers as well as BassUp technology.

Isolate Outside Noise: Reduce unwanted noise with hybrid active noise cancelling and immerse yourself in pure music.

AI-Powered Calls: Life Dot 3i noise cancelling earbuds are equipped with 4 microphones and a custom AI algorithm to effectively pick up voice, making every word in the call clear.

36-Hour Playtime: Life Dot 3i noise cancelling earbuds delivers 36 hours of total playtime with the charging case and 9 hours of use on a single charge.

Soundcore App: Personalize your music experience to suit your taste and your surroundings, with 22 EQ presets or switch to your own custom profile— all in one place.

Transparency Mode: Hear your surroundings while still listening to music when you're out and about without taking off your earbuds.

Fast Charging: Get up to two hours of battery life in just 10 minutes of charging via USB-C charging.

Tiny and Light: Designed for extended wear, Life Dot 3i noise cancelling earbuds are light on weight and fit perfectly in your ears.

Seamless Pairing: After pairing the earbuds with your devices once, they will be connected and ready to play the next time you remove them from the charging case.

Bluetooth 5.2: Equipped with the latest Bluetooth technology for a stable and faster connection to all your devices.

Solo Bud: Use the left or right earbud independently for music and calls. Activate Mono mode when you place one of the earbuds back in the case.

IPX5 Water-Resistant: An IPX5 rating keeps worries at bay as it protects the earbuds against water splashes and rain.
