HOUSEHOLD USE

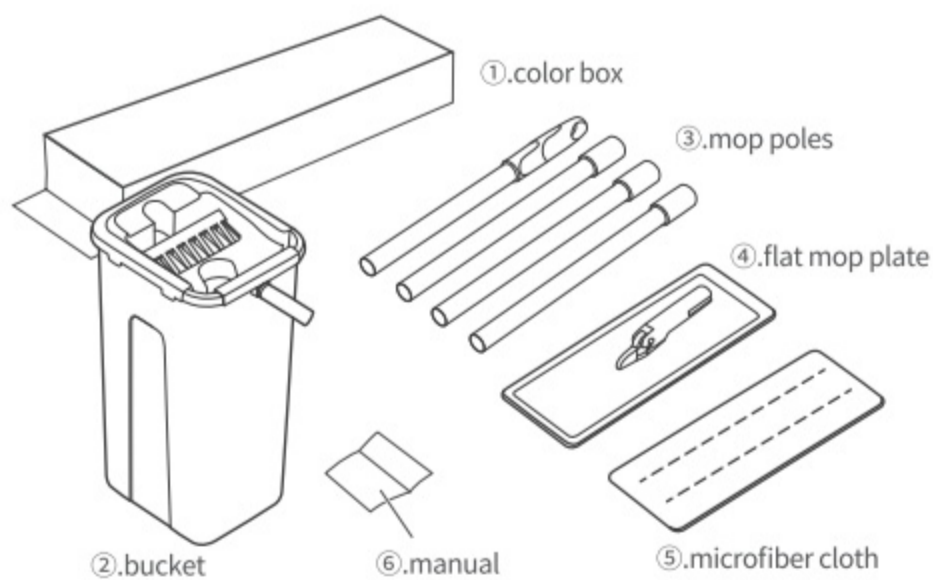

## Squeeze Flat Mop

After purchase, please check whether the products and related accessories are complete.

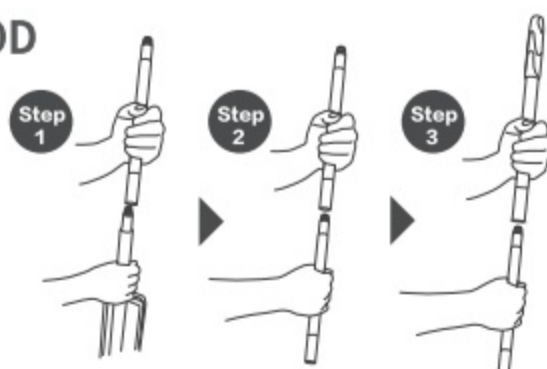

## PRODUCT CHARACTERISTIC

- Keep your hands from dirt, innovative straight washing and drying system makes washing and squeezing more easily
  - Ergonomically designed with comfortable grip. Makes mopping easy and convenient.
  - Extra wide microfiber pad helps quickly clean the floor.
  - 360 Degree swivel head reaches into cracks and crevices easily.
  - Quick dry pad can be washed up to 100 times whilst retaining cleaning efficiency.
  - Use many ways.
- Applicable to residential or commercial, public place and different cleaning purpose, such as the range of various floor, glass, window, car washing and waxing, etc.

## ASSEMBLY METHOD OF POLES

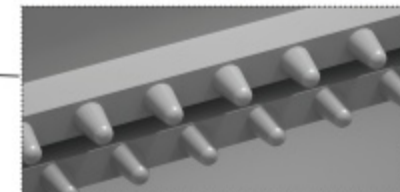

When using, hold the lower pole tightly, then rotate the upper pole clockwise slowly

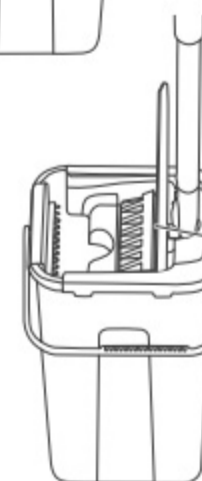

## HAND FREE/WASH & DRY FUNCTION

### Innovative Washing System 2 ROWS BRUSH DESIGN

This design helps to remove the dirt, hair, etc easily. Hand free washing, more convenient.

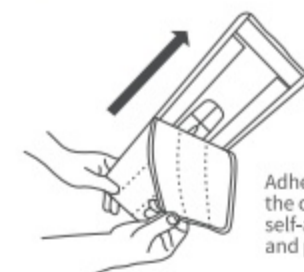

### DEHYDRATING THE WATER STAIN

This technology only needs 3 times squeezing to dry the cloth. Time-saving.

## ASSEMBLY METHOD OF CLOTH

Cover the raised side of the mop plate with cloth and pull tightly.

Adhere the other end of the cloth to the 3 self-adhesive on the plate and press tightly.
