

IMPROVED LENS MAINTENANCE

Fog Eliminator Plus Lens Cloths and
Honeywell Clear Plus Lens Cleaner

HONEYWELL FOG ELIMINATOR PLUS: IT'S CLEARLY SAFE.

Honeywell Fog Eliminator Plus now delivers eight hours of anti-fog protection based on an extreme environment effectiveness (EEE) test at 50°C and 80% humidity for one hour. When applied, it's one of the longest lasting AF performance products in the market. Fog Eliminator Plus Cloth on AF coating represents a minimum ~60X extension of the fog free time vs. AF coating alone.* Just a 10-second wipe bans fog caused by heat, cold, humidity, exertion or sudden temperature changes. The result is reliable, all-day protection from fog of any kind.

* In laboratory tests under extreme conditions (≥40°C and ≥80%RH)

Available in Honeywell Fog Eliminator Plus Cloths for convenient application.

Benefits of Honeywell Fog Eliminator Plus Cloth

- Delivers 8-hour fog protection; AF properties can last up to one week
- Reusable up to 10 times
- Protects lenses from fogging and frosting at colder than -15°C
- Safe for all lens surfaces – including polycarbonate, glass, coated and mirrored
- Non-flammable and non-toxic
- Delivers static-free, streak-free, and film-free optical clarity
- Silicone and alcohol-free* including butoxyethanol-free
- Pleasant smell is from all natural papaya extract
- 5-years shelf life
- Made in the U.S.A.

* Methanol, ethanol, and isopropanol-free

** Less than 0.2% by haze

HONEYWELL CLEAR® PLUS CLEANERS WORK EVEN BETTER WITH THIS NEW, IMPROVED, PROPRIETARY FORMULA

From the experts in lens technology comes a lens cleaner that swiftly lifts and removes tough dirt, debris and even oily fingerprints to restore optical clarity. Honeywell Clear® Plus Lens Cleaner reduces visible soil to below detectable limits leaving no haze, streaks or residue behind. It also has a pleasant smell and it's toxic-free. Our improved formula delivers safe, effective results in an isopropanol- and silicone-free solution that won't damage or delaminate lenses. Simply wipe soiled lenses with the solution for 10 seconds and let dry for an easy-to-achieve, long-lasting clean.

Benefits of Honeywell Clear® Plus

- Swiftly lifts and removes dirt, dust, debris, oil
- Reduces visible soil to below detectable limits (.2 to .3% haze)
- Streak-free, residue-free, haze-free results
- Alcohol and silicone-free
- Methanol, ethanol, and isopropanol-free
- Butoxyethanol-free
- Pleasant smell from all-natural papaya extract
- Safe to use on any lens or coated surface
- Won't degrade or delaminate lens material
- Can be used in temperatures as low as -40°C
- Proprietary formula
- 5-year shelf life
- Made in the U.S.A.

PROTECTING OUR EYES AND PROTECTING OUR INVESTMENT

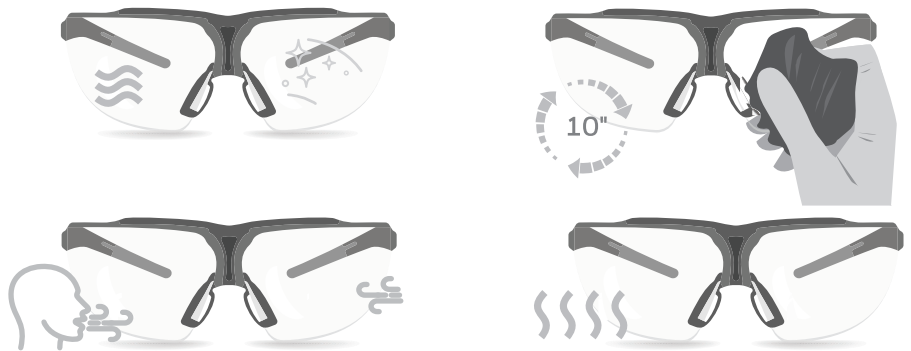

A few seconds without safety eyewear, removed to wipe off fog or dirt, can lead to serious injuries. That's why investment in comfortable, stylish, proper-fitting eyewear is so important. Protect your eyes and your investment with new and improved lens maintenance products from Honeywell.

HOW-TO GUIDE

4 STEPS TO USING HONEYWELL FOG ELIMINATOR PLUS ANTI-FOG CLOTHS

1. Wipe lenses clean
