

Brassi Pharma Cabbage Gel for Breast Care 75ml

Brassi Pharma Cabbage Gel is designed to provide relief for women during pregnancy and lactation. It uses the natural anti-inflammatory properties of cabbage extract to soothe sore breasts, reduce irritation, and alleviate discomfort. Safe for use during breastfeeding, it does not need to be washed off before nursing.

Key Benefits:

- 97.67% natural ingredients
- Cabbage extract to help reduce tenderness
- Hypoallergenic and gentle on sensitive skin
- Suitable for breastfeeding, no need to rinse before feeding

How to Use:

Apply a small amount of gel to the affected area and massage gently. For best results, use regularly.
