

MANUAL

Product Name: Mouse Trapz Game

Product Usage: Toy for kids

1. Place the stack of cards in the slot

2. Load the trap; holding the lever from the sides to avoid possible damage, gently rotate the lever back wards until it locks

3. Choose the difficulty level by sliding the 3-position slider above the stack of cards

EASY-FACILE MEDIYM-MEDION-MOYEN HARD-DIFFICILE

4. The youngest player goes first. At each turn, the player tries to steal one slice of cheese from the stack

5. If the player takes the cheese without activating the trap they can keep it's now the next player's turn

6. If the springs, the cheese card must be returned to the stack and the turn passes to the next player

7. Once the stack is finished, the player with most cheese cards is the winner!

8. BONUS! If a player takes at least 10 cards and forms a full round of cheese, they get 1 additional bonus point.
