Suite 250, 9166 Anaheim Place, Rancho Cucamonga, CA 91730

We continue to be committed to provide you tools with competitive price. "Save Half", "Half Price" or any other similar expressions used by us only represents an estimate of savings you might benefit from buying certain tools with us compared to the major top brands and does not necessarily mean to cover all categories of tools offered by us. You are kindly reminded to verify carefully when you are placing an order with us if you are actually saving half in comparison with the top major brands.

This is the original instruction, please read all manual instructions carefully before operating. VEVOR reserves a clear interpretation of our user manual. The appearance of the product shall be subject to the product you received. Please forgive us that we won't inform you again if there are any technology or software updates on our product.

**Remote Control Boat Model: 18005-1、18003-1**

**FCC Information (FCC ID:2BD8U-3801-1) :**

**CAUTION:** Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment!

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- 1) This product may cause harmful interference.
- 2) This product must accept any interference received, including interference that may cause undesired operation.

**WARNING:** Changes or modifications to this product not expressly approved by the party responsible for compliance could void the user's authority to operate the product.

**Note:** This product has been tested and found to comply with the limits for a Class B digital device pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation.

This product generates, uses, and can radiate radio frequency energy, and if not installed and used in accordance with the instructions, it may cause harmful interference to radiocommunications. However, there is no guarantee that interference will not occur in a particular installation. If this product does cause harmful interference to radio or television reception, which can be determined by turning the product off and on, the user is encouraged to try to correct the interference by one or more of the following measures.

- Reorient or relocate the receiving antenna.
- Increase the distance between the product and the receiver.
- Connect the product to an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for assistance.

# Remote Control Manta Ray Manual

## Battery Installation:

The product requires one 3.7V/700mAh rechargeable battery.(included) pls install the battery in correct polarity.

Remote control requires 2x1.5V "AA" non-rechargeable batteries .  
(not included) pls install the battery in correct polarity.

- Open the waterproof cover: Loosen the screw counterclockwise with a Phillips screwdriver, and tap the main body in the opposite direction to make the waterproof cover come out naturally.
- Close the waterproof cover: Cover the waterproof cover, and use a Phillips screwdriver to tighten the screws clockwise.
- Tighten the screws to ensure the waterproof function when re-install the cover.
- If the battery compartment is gotten with water due to wrong operation, pls dry and replace new battery.
- When replacing the battery, make sure that the battery compartment is dry.

## CAUTION

- Children toys. It can swim in the water by 2.4GHz wireless remote control.
- Match automatically. Only control one to one when match successfully.
- When matching, pls make the RC and product as near as possible.
- This product has the function of sensing water, and the motor will stop running after the product is taken out of the water.
- Both this product and the remote control are waterproof.
- Remote control distance: 30 to 40 meters in a clear environment.
- Only operate in tranquil, clean water, a shallow pool is recommended.
- After each use, please wipe with a towel and let it dry completely.
- Do not operate near concrete walls, which may interfere with transmission.
- This product is designed to use in fresh water, avoid operating in salt water too long.
- Up to 10 players can play at the same time.

## Operating Instructions:

The indicator light

1. Method 1: Put the product into water, the manta ray eye light will turn on, then start the RC until its light turns off after flashing, That means match successfully.
2. Method 2: start the RC, and the red light turns on and keeps flashing, then put the manta ray into water, its eye light turns on, the RC red light turns off. That means match successfully. (Note: if the RC red light keeps flashing which means match fail, Then take the product out of water and turn off the RC, then operate according to the method above until match successfully.)
3. Automatic demonstration: Press the automatic demonstration button the product will automatically cruise for 100 seconds.
4. Program function: Press the programming button, the red light of the RC flashes, and the product gets into the programming state(static) and records the coming operations (12 records each time at most), then it will demonstrate itself when re-press the programming button.

## BATTERY CONSIDERATIONS

- 1) This product uses one 3.7V/700mAh rechargeable lithium battery, and the remote control uses two 1.5V "AA" non-rechargeable batteries.
- 2) The battery should be taken out and installed in correct polarity and voltage to avoid short circuit.
- 3) Non-rechargeable batteries cannot be charged.
- 4) Rechargeable batteries must be charged under adult supervision.
- 5) The rechargeable battery should be removed from the toy before charging.
- 6) Different types of batteries or old and new batteries cannot be mixed.
- 7) Only batteries that are the same as or equivalent to the recommended batteries can be used.
- 8) The exhausted battery should be taken out of the toy. If it is not used for a long time, please take out the battery from the toy.
- 9) The power terminals should not be short-circuited.
- 10) Never connect to the power sources which are more than recommended.
- 11) The wire, plug, shell and other parts of the charger should be checked regularly during use. If damaged, stop using until repaired.
- 12) When the charger is connected to the battery, its light turns red, then turn off when the charger is plugged into a computer or mobile to charge. And it will turn red again while fully charged.

## WARNING

- Children should only use under adult supervision. Never play alone in the water or by the pond.
- Small parts not for children under 3 years old.

**ATTENZIONE:** cambiamenti o modifiche non espressamente approvati dalla parte responsabile della conformità potrebbero invalidare il diritto dell'utente a utilizzare l'apparecchiatura!

Questo dispositivo è conforme alla Parte 15 delle Norme FCC. Il funzionamento è soggetto a seguenti due condizioni: 1)

Questo prodotto può causare interferenze dannose.

2) Questo prodotto deve accettare qualsiasi interferenza ricevuta, comprese quelle che potrebbero causare un funzionamento indesiderato.

**ATTENZIONE:** cambiamenti o modifiche al prodotto non espressamente approvati dalla parte responsabile della conformità potrebbero invalidare il diritto dell'utente a utilizzare il prodotto.

**Nota:** questo prodotto è stato testato e ritenuto conforme ai limiti per una Classe

Dispositivo digitale B ai sensi della Parte 15 delle Norme FCC. Questi limiti sono progettati per fornire una protezione ragionevole contro interferenze dannose in un'installazione residenziale.

Questo prodotto genera, utilizza e può irradiare energia a radiofrequenza e, se non installato e utilizzato in conformità alle istruzioni, può causare danni interferenze alle radiocomunicazioni. Tuttavia, non vi è alcuna garanzia che non si verifichino interferenze in una particolare installazione. Se questo prodotto causa interferenze dannose alla ricezione radiofonica o televisiva, il che può essere determinato accendendo e spegnendo il prodotto, si incoraggia l'utente a provare a correggere l'interferenza mediante una o più delle seguenti misure.

- Riorientare o riposizionare l'antenna ricevente.
- Aumentare la distanza tra il prodotto e il ricevitore.
- Collegare il prodotto a una presa di corrente su un circuito diverso da quello a cui è collegato il ricevitore è collegato.
- Per assistenza, consultare il rivenditore o un tecnico radio/TV esperto.

Continuiamo a impegnarci per fornirvi strumenti a prezzi competitivi.

"Risparmia la metà", "Metà prezzo" o qualsiasi altra espressione simile da noi utilizzata rappresenta solo una stima del risparmio che potresti ottenere acquistando determinati utensili con noi rispetto ai principali marchi principali e non significa necessariamente coprire tutte le categorie di utensili da noi offerti. Ti ricordiamo gentilmente di verificare attentamente quando effettui un ordine con noi se stai effettivamente risparmiando la metà rispetto ai principali marchi principali.

Questa è l'istruzione originale, si prega di leggere attentamente tutte le istruzioni del manuale prima di utilizzare. VEVOR si riserva una chiara interpretazione del nostro manuale utente. L'aspetto del prodotto sarà soggetto al prodotto ricevuto. Vi preghiamo di perdonarci se non vi informeremo di nuovo se ci sono aggiornamenti tecnologici o software sul nostro prodotto.

Este producto puede causar interferencias dañinas.

2) Este producto debe aceptar cualquier interferencia recibida, incluida aquella que pueda provocar un funcionamiento no deseado.

ADVERTENCIA: Los cambios o modificaciones a este producto no aprobados expresamente por la parte responsable del cumplimiento podrían anular la autoridad del usuario para operar el producto.

Nota: Este producto ha sido probado y se ha determinado que cumple con los límites para una Clase Dispositivo digital B de conformidad con la Parte 15 de las Normas de la FCC. Estos límites están diseñados para proporcionar una protección razonable contra interferencias dañinas en una instalación residencial.

Este producto genera, utiliza y puede irradiar energía de radiofrecuencia y, si no se instala y utiliza de acuerdo con las instrucciones, puede causar daños.

interferencias en las radiocomunicaciones. Sin embargo, no existe garantía de que no se produzcan interferencias en una instalación en particular. Si este producto causa interferencias perjudiciales en la recepción de radio o televisión, lo que se puede determinar encendiendo y apagando el producto, se recomienda al usuario que intente corregir la interferencia.

interferencia mediante una o más de las siguientes medidas.

- Reorientar o reubicar la antena receptora.
- Aumente la distancia entre el producto y el receptor.
- Conecte el producto a una toma de corriente de un circuito diferente de aquel al que está conectado. El receptor está conectado.
- Consulte al distribuidor o a un técnico de radio/TV experimentado para obtener ayuda.

# Remote Control Manta Ray Manual

## Battery Installation:

The product requires one 3.7V/700mAh rechargeable battery.(included) pls install the battery in correct polarity.

Remote control requires 2x1.5V "AA" non-rechargeable batteries .  
(not included) pls install the battery in correct polarity.

- Open the waterproof cover: Loosen the screw counterclockwise with a Phillips screwdriver, and tap the main body in the opposite direction to make the waterproof cover come out naturally.
- Close the waterproof cover: Cover the waterproof cover, and use a Phillips screwdriver to tighten the screws clockwise.
- Tighten the screws to ensure the waterproof function when re-install the cover.
- If the battery compartment is gotten with water due to wrong operation, pls dry and replace new battery.
- When replacing the battery, make sure that the battery compartment is dry.

## CAUTION

- Children toys. It can swim in the water by 2.4GHz wireless remote control.
- Match automatically. Only control one to one when match successfully.
- When matching, pls make the RC and product as near as possible.
- This product has the function of sensing water, and the motor will stop running after the product is taken out of the water.
- Both this product and the remote control are waterproof.
- Remote control distance: 30 to 40 meters in a clear environment.
- Only operate in tranquil, clean water. a shallow pool is recommended.
- After each use, please wipe with a towel and let it dry completely.
- Do not operate near concrete walls, which may interfere with transmission.
- This product is designed to use in fresh water, avoid operating in salt water too long.
- Up to 10 players can play at the same time.

## Operating Instructions:

The indicator light

1. Method 1: Put the product into water, the manta ray eye light will turn on, then start the RC until its light turns off after flashing, That means match successfully.
2. Method 2: start the RC, and the red light turns on and keeps flashing, then put the manta ray into water, its eye light turns on, the RC red light turns off. That means match successfully. (Note: if the RC red light keeps flashing which means match fail, Then take the product out of water and turn off the RC, then operate according to the method above until match successfully.)
3. Automatic demonstration: Press the automatic demonstration button the product will automatically cruise for 100 seconds.
4. Program function: Press the programming button, the red light of the RC flashes, and the product gets into the programming state(static) and records the coming operations (12 records each time at most), then it will demonstrate itself when re-press the programming button.

## BATTERY CONSIDERATIONS

- 1) This product uses one 3.7V/700mAh rechargeable lithium battery, and the remote control usestwo 1.5V "AA" non-rechargeable batteries.
- 2) The battery should be taken out and installed in correct polarity and voltage to avoid short circuit.
- 3) Non-rechargeable batteries cannot be charged.
- 4) Rechargeable batteries must be charged under adult supervision.
- 5) The rechargeable battery should be removed from the toy before charging.
- 6) Different types of batteries or old and new batteries cannot be mixed.
- 7) Only batteries that are the same as or equivalent to the recommended batteries can be used.
- 8) The exhausted battery should be taken out of the toy. If it is not used for a long time, please take out the battery from the toy.
- 9) The power terminals should not be short-circuited.
- 10) Never connect to the power sources which are more than recommended.
- 11) The wire, plug, shell and other parts of the charger should be checked regularly during use. If damaged, stop using until repaired.
- 12) Cuando el cargador está conectado a la batería, su luz se vuelve roja, luego se apaga cuando el cargador se conecta a una computadora o móvil. cargar. Y se volverá rojo nuevamente cuando esté completamente cargado.

## WARNING

- Children should only use under adult supervision. Never play alone in the water or by the pond.
- Small parts not for children under 3 years old.

Vi fortsätter att vara engagerade i att ge dig verktyg till konkurrenskraftiga priser.  
"Spara hälften", "halva priset" eller andra liknande uttryck som används av oss representerar bara en uppskattning av besparingar du kan dra nytta av att köpa vissa verktyg hos oss jämfört med de stora toppmärkena och betyder inte nödvändigtvis att täcka alla kategorier av verktyg som erbjuds av oss. Du påminns vänligen om att noggrant kontrollera när du gör en beställning hos oss om du faktiskt sparar hälften i jämförelse med de främsta stora varumärkena.

Detta är den ursprungliga instruktionen, läs alla instruktioner noggrant innan du använder den. VEVOR reserverar sig för en tydlig tolkning av vår användarmanual. Utseendet på produkten är beroende av den produkt du fått. Ursäkta oss att vi inte kommer att informera dig igen om det finns någon teknik eller mjukvaruuppdateringar på vår produkt.

**Fjärrstyrd båtmodell:** 18005-1y18003-1

**FCC-information (FCC ID:2BD8U-3801-1):**

**FÖRSIKTIGHET:** Ändringar eller modifieringar som inte uttryckligen godkänts av den part som ansvarar för efterlevnaden kan upphäva användarens behörighet att använda utrustningen!

Denna enhet uppfyller del 15 av FCC-reglerna. Driften är föremål för följande två villkor: 1) Denna

produkt kan orsaka skadliga störningar.

2) Denna produkt måste acceptera alla mottagna störningar, inklusive störningar som kan orsaka oönskad funktion.

**VARNING:** Ändringar eller modifieringar av denna produkt som inte uttryckligen godkänts av den part som ansvarar för efterlevnaden kan ogiltigförklara användarens behörighet att använda produkten.

**Obs:** Denna produkt har testats och befunnits överensstämma med gränserna för en klass

B digital enhet i enlighet med del 15 av FCC-reglerna. Dessa gränser är utformade för att tillhandahålla rimligt skydd mot skadliga störningar i en bostadsinstallation.

Denna produkt genererar, använder och kan utstråla radiofrekvensenergi, och om den inte installeras

och används i enlighet med instruktionerna kan den orsaka skadlig

störningar på radiokommunikation. Det finns dock ingen garanti för att störningar inte kommer

att inträffa i en viss installation. Om denna produkt orsakar skadliga störningar på radio- eller tv-

mottagning, vilket kan fastställas genom att stänga av och på produkten, uppmanas användaren att försöka korrigera

störning av en eller flera av följande åtgärder.

- Rikta om eller flytta mottagningsantennen.
- Öka avståndet mellan produkten och mottagaren.
- Anslut produkten till ett uttag på en annan krets än den till vilken mottagaren är ansluten.
- Kontakta återförsäljaren eller en erfaren radio/TV-tekniker för hjälp.
