Keep Your Cable Organized

Designed to organize power strips, cables and adapters at home or in offices. Comes with opening on four sides, which can achieve good heat dissipation and easily fit multiple wires. Perfect for keeping your room clean and neat.

Easy to Use

Simply put all the USB cables, charging cables and power adapters in the cable box. The lid on the top of the box provides you to prevent dust.

Children and Pets Friendly

Ideal for protecting children and pets from directly touching the power strips and other electrical equipments.

Eye-Catching Design

Elegant and stylish design with classic white color and bamboo lid that makes the box blend with modern surrounds.
