

Opis produktu:

This image displays a variety of accessories for a wood-burning stove. The central focus is a black metal stove with a glass-paned door showing a fire burning inside. Surrounding the stove are numerous components: a large black elbow pipe at the top left; two short sections of threaded pipe; a long, thin metal rod or chimney section at the top right; a flexible metal hose connected to a small cylindrical device; three rectangular metal flue plates on the right; a white spray bottle labeled "Kamini" with a red trigger; a bag of "KAMINI" brand wood pellets at the bottom right; a black metal frame or stand at the bottom center; a circular metal vent or cap at the bottom left; and several other smaller metal parts like a horizontal bracket and a curved pipe section. The entire assembly is set against a background of stylized orange and yellow flames.
