CHICKEN COOPS

Comfortable home and predator resistant

Size M
(1,68 m)

Size L
(2,85 m)

Size XL
(3,78 m)

✓ EASY TO SHIP

We ship the chicken coop on a pallet in a disassembled form, making it easy to move the parts to the assembly site without special equipment.

✓ EASY TO ASSEMBLY

Easy assembly process and modular system makes assembling the coop a breeze. It will take you no more than 30 minutes for size M and L and no more than 60 minutes for size XL. Provided with simple instructions and video support.

✓ EASY MAINTENANCE

Experience carefree chicken keeping with a design that includes easy-access doors, built-in nesting boxes, and roosts to support natural behaviors of chickens. Our coop's intuitive design makes egg collection, coop cleaning, and flock care simple and efficient.

DURABLE, SAFE AND WEATHERPROOF

✓ TOP QUALITY, DURABLE MATERIALS

Our chicken coops are built from premium kiln-dried lumber and wood with a protective color topcoat, ensuring high resistance to weather. Designed to last, each coop provides stable, long-lasting shelter.

✓ PREDATOR-RESISTENT

Safety is our priority at EZ Chicken Home. Our coops feature secure latches, durable wire mesh, and predator-proof locks, offering peace of mind day and night.

✓ OPTIMAL VENTILATION

Good air circulation is essential for your chickens' health. Our coops are equipped with optimal ventilation to regulate temperature, reduce humidity, and minimize odors, ensuring a comfortable environment year-round.

✓ SUITABLE FOR HOT AND COLD CLIMATES

Designed for all weather conditions, with optional insulation available.

✓ COMPLETE ACCESSORIES

Including pre-installed doors, windows, nesting boxes, and a metal roof.

CHICKEN RUNS

✓ GREATER FREEDOM

Allows chickens safe access to roam outdoors

✓ ROBUST CONSTRUCTION

Made from wood and metal mesh panels and roof to protect against unwelcomed predators

✓ MODULAR DESIGN

Customizable sizes – 3x2 m, 3x3 m, or 3x4 m – with extension options

Size 3x2 m

Size 3x3 m

WATERERS AND FEEDERS

- ✓ Innovative, reliable solutions with a patented design
- ✓ Made from durable, BPA-free, food-grade plastic
- ✓ Minimal maintenance and waste – ensures clean water and feed for up to one month

This **FEEDER** supports chickens aged 12 weeks and older for up to 45 days, holding up to 20 kg of feed. Its no-waste design prevents spillage, saving time and money. Made from UV-protected, food-safe, BPA-free, recyclable plastic for durability.

The **WATERER** holds up to 45 liters, providing clean water for up to a month without daily maintenance. Suitable for indoor and outdoor use, with drip-free nipples allowing three chickens to drink simultaneously. Made to last from UV-protected, food-safe, BPA-free, recyclable plastic.
