Create the mood you desire!

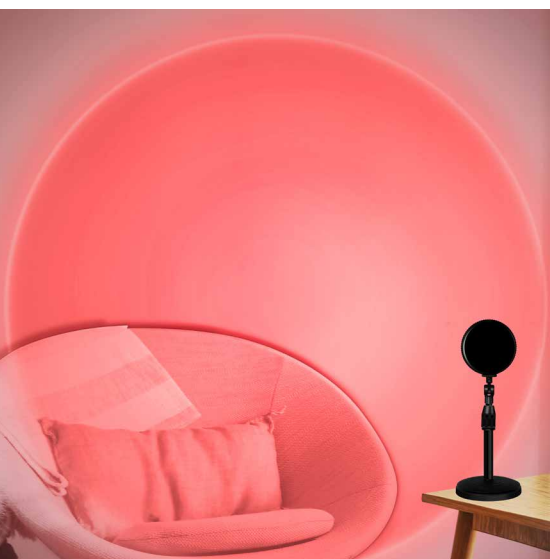

Color Projection

Project amazing lights on wall, ceiling or any objects; the greater the distance, the greater the light.

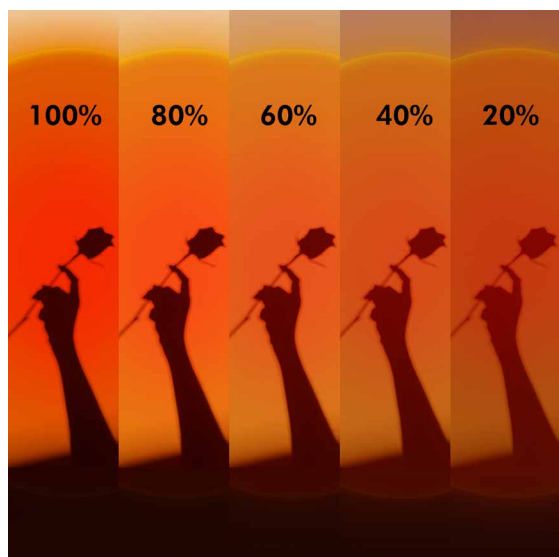

Freely Adjustable

The stand's height is extendable and tiltable to create endless combinations and illuminate an elegant room with amazing light.

Paint the Room With Light

15 different RGB colors and 4 dynamic modes (Flash, Strobe, Fade, Smooth) in one lamp, meeting all your lighting needs without buying multiple bulbs for different color.

Remote Control Lighting

Control the light remotely, you can adjust the color and mode of the light when taking pictures from a distance.

Also able to adjust the brightness and transition speed with the remote, to achieve the exact atmosphere you want.

Sunset Lamp is USB powered, comes with 1.3 m cable and inline on/off switch.

Specifications:

Light Source	RGB LEDs
