

Samkoon HMI EA-043A Key Technical Parameters

Model	EA-043A
Display Size	4.3"(length : width=16:9)
Resolution	480x272
Brightness	400 cd/m2
Contrast	400:01:00
color	262,144 color
Backlight	LED
Control panel	4-wire high-precision electric resistance touch screen
COM	1xCOM (RS232,RS422,RS485)
USB download port USB Device	YES
USB port USB Host	None
Ethernet port	None
SD card	None
Storage	128M FLASH+32M DDR2
CPU	ARM9 200MHz
Supply power	DC:24V (±15%),6W
Power consumption	3W
FCC compatibility	FCC, Class A
Pressure-proof test	1000V AC/per minute
CE certification	EN55022 EN55024
Operation temperature	-100~650
Operation humidity	10~90%RH(no condensation)
Shockproof degree	10-25Hz(X Y Z dimension 2G/30 minutes)
Protection Level	IP65(front panel)
Curst material	Engineering plastic ABS+ PC
External size	138x86x39 (mm)
Installed portiforium size	132x80 (mm)
weight	About 0.2kg
Configuration software	Samkoon EA-043A może komunikować się z Mitsubishi PLC FX1S
