

# Product Information Sheet: Dermedic Hydrain 3 Ultranawilzajacy Krem-Zel 50

## Overview:

Dermedic Hydrain 3 Ultra-Moisturizing Cream-Gel provides intense hydration and maintains optimal moisture levels in the epidermis.

It is designed for all skin types, including acne-prone skin or those undergoing dermatological treatments.

Its lightweight formula is quickly absorbed without leaving a greasy residue.

## Key Benefits:

- Strengthens and regenerates the skin
- Replenishes water deficiency in the skin
- Protects against harmful external factors
- Non-comedogenic (won't clog pores)
- Lightweight, fast-absorbing formula
- Does not leave a greasy layer

## Usage Instructions:

Apply an even layer to the face, neck, and décolletage. Allow it to absorb fully. Suitable for use under makeup.

## Ingredients:

Aqua, Caprylic/Capric Triglyceride, Urea, Glycerin, Methylpropanediol, Isocetyl Stearate, Sodium Hyaluronate, Betaine,
