

SIDORA®
HEALTH CONCEPT

LOVE WHERE YOU LIVE

MOMENTO

SIDORA was created by founders with extensive experience in the wellness and recovery industry.

With a deep understanding of quality, comfort and design, they carefully select every product and manufacturing partner.

Our philosophy is simple: there is no one perfect chair for everyone.

Different people have different needs and we offer the right solution for each of them.

SIDORA stands for thoughtful wellness technology that helps people relax, recover and enjoy their living space.

Miore brings comfort, technology and a deep muscle massage together in one elegant chair.

A perfect balance of functionality and relaxation for your home.

LOVE WHERE YOU LIVE

Nayax

Designed with public spaces in mind!

Momento combines an enjoyable yet intuitively simple massage experience with modern, durable design.

Ideal for locations such as shopping centers, hotels, airports, and waiting areas. Momento offers flexible operation – choose from no payment system, coin acceptor, or cashless payments supported by **Nayax** system.

Coin payment available

Nayax
Cashless payment available

SMART SEAT SYSTEM

The Smart Seat system is an innovative feature designed specifically for commercial massage chairs equipped with coin acceptors or payment terminals. It ensures that the chair is used efficiently and only by paying customers — making it a true game-changer for business owners.

How does it work?

When a person sits in the chair but does not start or pay for a massage session, the Smart Seat system automatically activates. After a short period of inactivity, the chair plays a voice message prompting the user to either begin a massage or leave the seat.

If the user ignores the message, the chair responds by lifting the massage mechanism, making it uncomfortable to remain seated. This encourages the person to leave the chair, freeing it up for paying customers.

TECHNICAL SPECIFICATIONS

Product Model: Momento SMC 119 / 129

Power Supply: 220–240 V ~ 50–60 Hz

Rated Power: 110 W

Automatic Operating Time: 15 minutes

Dimensions (L × W × H):

Folded: approx. 1480 × 830 × 1250 mm

Reclined: approx. 1680 × 830 × 1040 mm

Weight: approx. 87 kg

Package Dimensions (L × W × H):

approx. 1440 × 865 × 1300 mm

Operating Conditions:

Ambient temperature: 0°C – 35°C

Humidity: 20–80% RH
