Product Benefits:

- Hemp King Peppermint Deodorant Cream is a 100% natural formula.
- It is made from organic ingredients designed to neutralize odors while soothing the skin.
- Infused with peppermint essential oil for a refreshing scent, it also provides a cooling effect.
- The product is alcohol-free, making it perfect for sensitive skin and ensuring that the skin stays moisturized.
- The deodorant combines the power of natural oils and clays to absorb moisture, reduce bacteria, and keep you fresh for longer.
- Hemp extract, rich in antioxidants, helps repair and protect the skin, making this deodorant more than just a body care product.
