## TURNTABLE WITH RADIO & CASSETTE ATT-15SE

For music lovers who value both the classic sound of vinyl and modern connections, this Turntable with Radio and Cassette Player is the ideal choice. With three speeds playback (33, 45, 78 rpm), a lateral-loading cassette player, and direct encoding to USB or SD card, built-in Bluetooth and auxiliary input, you can easily connect modern devices to ensure a versatile and complete entertainment experience.
