This is the original instruction, please read all manual instructions carefully before operating. VEVOR reserves a clear interpretation of our user manual. The appearance of the product shall be subject to the product you received. Please forgive us that we won't inform you again if there are any technology or software updates on our product.

SAFETY INSTRUCTIONS

WARNING:

1. Please read all instructions carefully and keep it for future reference.
2. Assembled only by adults. Children should use this product under the parental supervision.
3. Keep all small parts and packaging materials for this product away from babies and children, otherwise they may pose a choking hazard.
4. Lack of attachment may cause a risk of tipping.
5. Do not overload.

Warning for Assembly:

1. Remove all packaging, separate and count all parts and hardware.
2. Read through each step carefully and follow the proper order.
3. We recommend that, where possible, all items are assembled near the area in which they will be placed in use, to avoid moving the product unnecessarily once assembled.
4. Ensure a secure surface during installation, and place the product always on a flat, steady and stable surface.

SAFETY INSTRUCTIONS

WARNING:

- 26. Läs alla instruktioner noggrant och spara dem för framtida referens.
- 27. Monteras endast av vuxna . Barn bör använda denna produkt under överinseende av föräldrar.
- 28. Håll alla små delar och förpackningsmaterial för denna produkt borta från spädbarn och barn, annars kan de utgöra en kvävningsrisk.
- 29. Brist på infästning kan orsaka tippningsrisk.
- 30. Överbelasta inte .

Varning för montering:

- 21. Ta bort all förpackning, separera och räkna alla delar och hårdvara.
- 22. Läs igenom varje steg noggrant och följ rätt ordning.
- 23. Vi rekommenderar att, där det är möjligt, alla föremål monteras nära det område där de kommer att användas, för att undvika att produkten flyttas i onödan när den väl har monterats.
- 24. Säkerställ en säker yta under installationen och placera alltid produkten på en plan, stadig och stabil yta.
