

# Progress Labs Omega-3 Gold EPA330 + DHA220

Product Name: Progress Labs Omega-3 Gold EPA330 + DHA220 - 120 Capsules

## Description:

Progress Labs Omega-3 Gold is a premium dietary supplement providing essential omega-3 fatty acids, including EPA (Eicosapentaenoic Acid) and DHA (Docosahexaenoic Acid). These omega-3 fatty acids support heart health, brain function, and vision while reducing inflammation. Sourced from high-quality fish oil, this product ensures optimal bioavailability and efficacy.

## Key Benefits:

- **Heart Health**: EPA and DHA contribute to the normal function of the heart and support cardiovascular health.
- **Brain Function**: DHA supports cognitive function and helps maintain proper brain health.
- **Anti-Inflammatory**: Omega-3 fatty acids help reduce inflammation in the body, supporting joint and immune health.
- **Vision Support**: DHA contributes to the maintenance of normal vision.

## Active Ingredients (per capsule):

- **EPA (Eicosapentaenoic Acid)**: 330 mg
- **DHA (Docosahexaenoic Acid)**: 220 mg

## Usage Instructions:

- Take 1 capsule daily with water, preferably with a meal.
- Do not exceed the recommended daily dose.

## Suitable For:

- Individuals looking to support heart health, cognitive function, and reduce inflammation.
- Those seeking high-quality omega-3 fatty acids for overall health and well-being.
- Suitable for people who want to maintain eye health and prevent vision issues.

#### Clinical Results:

- Regular supplementation of EPA and DHA has been shown to support heart health, reduce inflammation, and improve cognitive function.

#### Product Details:

- Size: 120 capsules
- High-quality fish oil with no artificial additives or fillers

#### Manufacturer:

Progress Labs - A trusted producer of scientifically-formulated supplements, providing essential nutrients for optimal health.

#### Recommended For:

Anyone seeking to support cardiovascular, brain, and joint health with a high-quality source of omega-3 fatty acids, including EPA and DHA.
