Delegated Regulation (EU) 812/2013

|                                                             |              |
|-------------------------------------------------------------|--------------|
| Supplier name or trademark                                  | ELIX         |
| Model identifier                                            | hybrid GM200 |
| Declared load profile                                       | XL           |
| Water heating energy efficiency class                       | A+           |
| Water heating energy efficiency                             | 141 %        |
| Annual electricity consumption                              | 1 192 kWh    |
| Annual fuel consumption                                     | - GJ         |
| <b>Other Information</b>                                    |              |
| Thermostat temperature settings                             | 55           |
| Sound power level (Indoors)                                 | 42 dB        |
| Specific precautions                                        |              |
| <b>Heat pump water heater</b>                               |              |
| Water heating energy efficiency (colder climate conditions) | 141 %        |
| Water heating energy efficiency (warmer climate conditions) | 141 %        |
| Annual electricity consumption (colder climate conditions)  | 1 192 kWh    |
| Annual fuel consumption (colder climate conditions)         | - GJ         |
| Annual electricity consumption (warmer climate conditions)  | 1 192 kWh    |
| Annual fuel consumption (warmer climate conditions)         | - GJ         |
| Sound power level (Outdoors)                                | 0 dB         |

Model placed on the Union market from 27/11/2024.

**EPREL registration number:** 2414286
