# III

# IV

# V

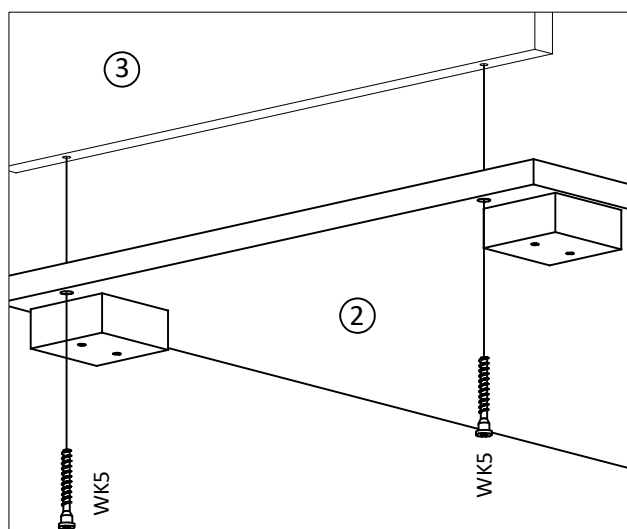

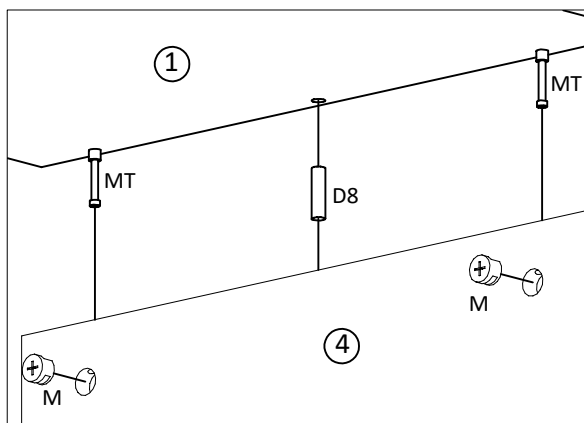

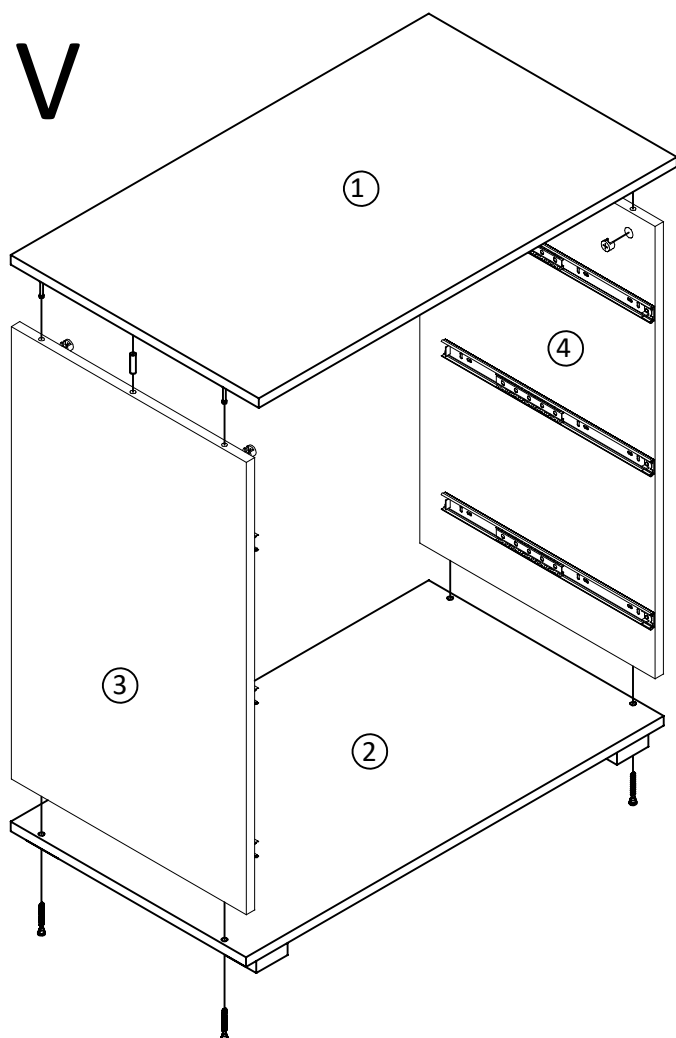

Diagram VII illustrates the assembly of a wooden frame component. It consists of two steps, 8 and 9, showing the attachment of a long wooden board to a rectangular base.

**Step 8:** A long wooden board is being attached to the base. Three screws, labeled W3513, are shown being driven into the board. A circled number 8 is present. A label B is at the end of the board.

**Step 9:** The same assembly is shown, but with an additional screw (W3513) being added to secure the board further. A circled number 9 is present. A label B is at the end of the board.
