

Gwarancja 2 lata lub 100 000 km z możliwością przedłużenia do 6 lat!

Uwaga!

Należy zarejestrować amortyzatory.

Żeby zarejestrować amortyzator na stronie EFS 4x4 należy **zeskanować kod QR** z instrukcji lub wejść na stronę: **<https://qrco.de/be4xAv>** i wypełnić formularz.

Przed upływem 2 lat i 100 000 km należy przeserwisować amortyzatory i zgłosić dokonanie serwisu na stronie EFS 4x4.

Przedłuża to gwarancję na kolejne 2 lata i 50 000 km.

Potem, przed upływem 2 lat i 50 000 km, trzeba przeprowadzić drugi serwis i zgłosić go - co przedłuża gwarancję na kolejne 2 lata i 50 000 km.

Łącznie można mieć gwarancję na 6 lat.

OWNERS DETAILS

Purchase date: _____

Batch code: _____
(Batch code is a 4 digit number located near the compression setting dial)

Name of vehicle owner: _____

Purchase invoice number: _____
