MTB Hardtail grey/blue/yellow  
glossy 45

Make a statement wherever you ride. Our ALLTRACK 6.5 perfectly balances on- and off-road performance, delivering maximum power. Equipped with the latest Bosch Performance Line CX motor, this hardtail eMTB is built for performance. The 600Wh battery ensures plenty of range for your trail rides, while the optional Range Extender allows you to push your adventures even further. With reliable Shimano components for riding safety and an SR Suntour suspension fork with 120mm of travel to handle impacts, this bike is made for serious trail action. The vibrant colours add a design flair that ensures this bike stands out both on and off the trail. Perfect for making a powerful impression on any terrain.
