Connectivity	WiFi & Bluetooth

What's in the box

- Wireless adapter *1
- USB cable (Type-C to A) *1
- USB cable (Type-C to C) *1
- User manual *1

Connection diagram

NOTE! The adapter should be plugged into the Android Auto-enabled USB port if there are multi USB ports in your car.

Setting up wireless Android Auto

1

Wireless Android Auto

Install Android Auto on your smartphone, next enable [Wireless Android Auto] in Android Auto app settings.

2

Pair your smartphone with the vehicle's Bluetooth.

3

Plug the adapter into your vehicle's Android Auto-enabled USB port.

4

AUTO-xxxx

Continue to pair your smartphone with the adapter's Bluetooth: **[AUTO-xxxx]**.
It will then connect to Android Auto wirelessly after a few seconds.

Firmware update

Firmware update is NOT recommended when every function works well.

1. If you have connected to the Android Auto wirelessly, disable Bluetooth and forget the WiFi network first
2. Join the adapter's WiFi network [**AUTO-xxxx**] again by manual and the password is **88888888** (Tap **YES** if there is a pop-up notification of internet access)

3. Enter **192.168.1.101** on smartphone browser, next tap "**Switch P2P**"

Switch P2P

-
4. On your phone, go to **WiFi >> Advanced settings >> WiFi direct**, tap **[AUTO-xxxx]** and make sure it has connected

5. Enter **192.168.1.101** again on smartphone browser, next tap "**Update**".

NOTE! The blue led indicator will flash rapidly while updating. Wait for more 30s after the light is always on, then disconnect and reconnect the adapter from USB port to finish the whole update.

How to report an issue

Any issue while using the adapter, you could directly report the issue online and send us the feedback screenshot. We will fix it as soon as possible.

The image shows a screenshot of a web form for reporting a problem. The form has a title bar that says "Problem Description". Below the title bar, there are four input fields: "Car Make" with the example "E.g. Toyota", "Model Name" with the example "E.g. Camry XLE", and "Year" with the example "E.g. 2020". The fourth field is labeled "Detailed description of the problem:" and contains the placeholder text "Please enter text here". At the bottom of the form is a green "Submit" button.

Follow the 1-4 steps of [**Firmware update**] on the previous page, then enter **192.168.1.101** again on the browser to submit the issue.
