

Gwarancja 2 lata lub 100 000 km z możliwością przedłużenia do 6 lat!

Uwaga!

Należy zarejestrować amortyzatory.

Żeby zarejestrować amortyzator na stronie EFS 4x4 należy **zeskanować kod QR** z instrukcji lub wejść na stronę: **<https://qrco.de/be4xAv>** i wypełnić formularz.

Przed upływem 2 lat i 100 000 km należy przeserwisować amortyzatory i zgłosić dokonanie serwisu na stronie EFS 4x4.

Przedłuża to gwarancję na kolejne 2 lata i 50 000 km.

Potem, przed upływem 2 lat i 50 000 km, trzeba przeprowadzić drugi serwis i zgłosić go - co przedłuża gwarancję na kolejne 2 lata i 50 000 km.

Łącznie można mieć gwarancję na 6 lat.

The image shows a two-page warranty document. The left page is titled 'OWNERS DETAILS' and contains fields for: Purchase date, Batch code (with a note: 'Batch code is a 4 digit number located near the compression setting disc'), Name of vehicle owner, Purchase invoice number, Online warranty registration number (with a note: 'This number is sent via email once online warranty registration has been completed'), Vehicle fitted to, Make, Model, Year, VIN number, and Odometer reading. At the bottom of the left page is a table for recording settings.

Installed Settings	Compression Settings	Rebound Settings
Centre of hub to ground measurements	Left	Right
Front		
Rear		

The right page is titled 'REGISTER YOUR WARRANTY' and 'Plus Extended Warranty Eligibility'. It includes instructions to register by scanning a QR code or visiting [efswed.com.au/register-your-mrp](https://qrco.de/be4xAv). A QR code is provided with a 'SCAN ME' button. Below the QR code is a 'WARRANTY STATEMENT' which states: 'MRP shock absorbers and assemblies are warranted against defects in workmanship and materials, which have caused it to perform below its specifications, for a period of 2 (two) years or 100,000 km, whichever comes first from the date of retail sale, limited to the original purchaser.' A footnote states: '* MRP shock absorbers and assemblies are eligible for extended parts only warranty(s) against defects in materials, which have caused it to perform below its specifications, for a period of 2 (two) years or 50,000 km, whichever comes first from the date of service, limited to the original purchaser. To be eligible for these extended parts only warranties, online registration must be lodged within 30 days of purchase or servicing, the MRP shock absorbers are maintained in accordance with recommended service intervals and the service has been completed by an authorized EFS MRP service agent.'

Warranty continued over page.
