## 100W Smart Display Dual USB-C Data Cable **User Manual**

Please read this instruction manual carefully before use and keep it properly.

## 1. Product Parameter

Brand: Toocki

Name: Fast Charging Data Cable USB-C to USB-C

Model No.: TQ-X03C2

Function: Charging and Data Transfer

Material: Aluminum alloy + braided wire

Transmission rate: 480Mbps

Power Output: 100W (Max.)

Current: 5A

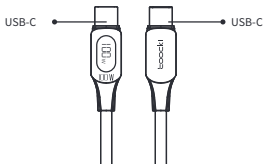

Wire Gauge: Tinned Copper Core

Input interface: USB-C

Output interface: USB-C

\*The above data are measured by the Toocki laboratory, the actual use will be slightly different depending on the specific circumstances.

## 2. Product Diagram

## 3. Product Features

1. Smart Digital Power Display: The transparent visual design is used to clearly and intuitively display the charging power of the device.

2. 100W High Power Output: 100W high power output supports fast charging of laptops, allowing laptops to be fully charged faster.

3.480Mbps Data Transmission: The USB 2.0 standard port provides you with 480Mbps transfer rate for more efficient file synchronization.

4.E-marker Chip: The smart chip can help to automatically identify the current and voltage to ensure the safety of fast charging.

## 4.Use Steps

1. Please connect one end of the charging cable to the power adapter/computer/power bank;
2. Connect the other end to the digital device you need to charge or transfer data to charge/transmit your device.

## 5.Tips

Please read all instructions and warnings carefully before using this product. Improper use will cause damage to the product or personal safety.

1. This product supports digital display, but due to technical problems at this stage, the digital display needs a certain response time, please understand.
2. If you do not use the product for a long time, please pull out the product in time and put it away.
3. Do not pour water or other liquids on this product to cause damage to its performance.
4. Please avoid strong physical damage, including knocking, throwing, trampling, squeezing, etc.
5. Non-professionals are not allowed to disassemble this product without permission!
6. Please use the product correctly according to the instructions. Improper use of the product may easily damage the product itself or endanger personal and property safety.
7. If the personal and property damage caused by the improper use of the product is violated by the consumer, you need to bear all the consequences, and the company will not bear any legal responsibility.

## 6.Warranty (1 year)
