

A collection of various cordless stick vacuums and their accessories. The central vacuum is a tall, orange and grey stick vacuum with a purple motor unit. To its left is a smaller, similar stick vacuum. Below these are two motor units with blue air flow diagrams. To the right is another stick vacuum with a purple motor unit and a long orange tube. Above it is a circular digital display showing '100%' and 'Laresar'. Below the main vacuum is a motor unit with a blue air flow diagram. To the right of the main vacuum is a motor unit with a blue air flow diagram. At the bottom are two motor units with blue air flow diagrams.

Cechy produktu:

Moc ssania	50 kPa
Silnik	500 W, bezszczotkowy
Czas pracy	do 60 minut
Filtracja	7-stopniowa HEPA
Pojemność pojemnika	1,2L
Waga	3,8 kg
Czas ładowania	4 godziny
Zasilanie	1 bateria litowo-jonowa
