

VicPattern Ultra Symmetric MKII

PROFESSIONAL AUDIO / HI-FI & HOME CINEMA / PUBLIC SPACES

Available Finishes *

* Different batches may show a color variation

Description

Created for the most demanding interior designers and acousticians where aesthetics is a must, VicPattern Ultra Symmetric MKII combines high performance sound absorption with an innovative design.

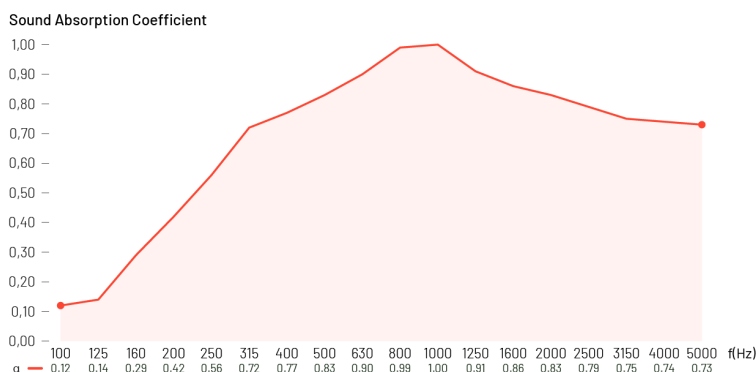

The VicPET Wool in the interior of the VicPattern Ultra Symmetric MKII panel was enhanced to a thick layer of 38mm to maximize the acoustic absorbing capabilities of the panel, improving the performance on the Low and Low-Mid Frequencies compared to the previous panel.

Manufactured with high quality MDF and High-Pressure Laminate (HPL), VicPattern is different from anything on the market.

Features

- Construction with premium MDF and anti-scratch HPL.
- Polyurethane free
- Reinforced packing
- Finish also on the sides
- Removable filling allows to integrate light and sound
- Professional fixation systems

Performance

NRC: 0.80

Dimensions**

a) 595 x 595 x 50 mm / 23.4" x 23.4" x 2"
