

evercare® XP Special OP-gowns, sterile

REF: 2534, 2535, 2537, 2539, 2540, 2544, 2545, 2547, 2549, 2550

evercare® XP Special OP-gowns are made of highly resistant and repellent SMS-material for evolving needs of medical professionals. These gowns provide an effective barrier to body fluids and microbes. The surgical gown is designed for good comfort and offers ease of movement with overlapping material in the back. The large sized adjustable Velcro in the neck enables a good fit for secure adjustments. High quality cuffs for improved comfort. State-of-the-art packaging system with handy functional dispenser and labeling as per EN15223-1 and EN1041. Barcoded removable labels for improved traceability. The gown is sterilized in EO-gas and packed in separate sterile easy-to-open packs. evercare® XP is available in Standard (Standard Performance) and Special (High Performance) variants and complies with the requirements of EN13795. evercare® XP Special is reinforced with a breathable material in the critical zone, in the front and in the sleeves, to maximize protection against contamination of the surgical wound and to protect the user at wet procedures.

Key Features:

- ▶ Special product variant is suitable for procedures with medium to high amount of fluids
- ▶ Soft SMS material with antistatic and alcohol repellent treatment
- ▶ Special product variant with breathable reinforcement
- ▶ Ultrasonic heat sealed seams for sleeves & shoulders
- ▶ Comfortable design providing ease of movement
- ▶ Gown with widely overlapping back
- ▶ Large size adjustable velcro strap at the neck
- ▶ All sizes available with or without 2 hand towels
