AXA Bike Security

AXA Bike Security is inextricably linked to cycling culture. For more than 110 years, the company has made every effort to optimally protect the cyclist and the bike. As a real bike fan, AXA Bike Security knows exactly what cyclists need to safely and confidently take to the road.

Our engineers convert the latest requirements and developments into user-friendly, sustainable products. And thanks to our own production facilities in Europe, AXA can always guarantee constant high quality. This way AXA contributes to the safety and pleasure of the growing worldwide group of people who embrace the bike as a healthy and sustainable means of transportation.
