## EVELINE MAX II

- 
- › 22 kW AC portable charger
  - › Extremely durable, maintenance - free and waterproof
  - › One of the smallest chargers on the market
  - › Safety features including integrated RCCB-A-EV (30mA AC / 6mA DC) residual current breaker
  - › Consumption measurement
  - › Charging status and history on the display
  - › Adjustable charging current 6 - 32A
- 

## / Sales advantages

### THE SMALLEST DIMENSIONS ON THE MARKET

We have developed the smallest portable charger with OLED LCD display and other functions while maintaining all high-standard protection elements (including detection of DC leakage currents)

### HIGH RESISTANCE

EVELINE MAX II is made of a special aluminum alloy profile for the highest durability. At the same time, it is also 100% waterproof. It works at temperatures ranging from -40 ° C to 50 ° C.

### CHARGING POWER UP TO 22kW

EVELINE MAX II automatically adapts to the current connection point. If 32A is available, a 22kWh battery can be charged in 1 hour.

### ADJUSTABLE CHARGING CURRENT

Thanks to the built-in button, the charging current can be easily set according to the circuit breaker options. The setting range is 6 - 32A.

### Advantages of OLED LCD

Easy and intuitive setting of charging parameters, charging status, operating temperature, consumed kW / h and voltage on each phase:

## / Specifications

Maximum charging power	22 kW
Charging power settings	3,7 kW/4,6 kW/6,9 kW/7,4 kW/11 kW/22 kW
Rated current	32A
Voltage	230/400 V
Dimensions	50 x 80 x 190 mm (V x Š x H)
Weight	3.8 kg (5 m), 5.1 kg (7 m)
The cable length	5 - 7m
Safety elements	Permanent protection of residual resistance. RCCB-A-EV (30mA AC / 6mA DC).
Degree of protection	IP 65
Connector type	Car side - TYPE 2 (compliant with IEC 62196). Grid side - industrial socket 32A 5-pin.
Permissible ambient temperature	-30°C to + 50°C (-22F to 122F)
Communication	Compliant with IEC 61851-1, Mode 2
Color	Gold (body), Black (charging cable)
Adapter options	CEE plug 16A, schuko
A part of the package	Portable charging station, manual, bag
Warranty	3 years
