

ASSEMBLY INSTRUCTION

1-

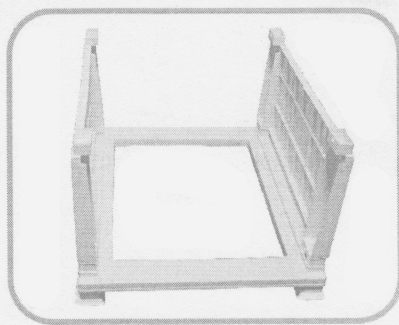

Unpack the bedside table support legs.

2-

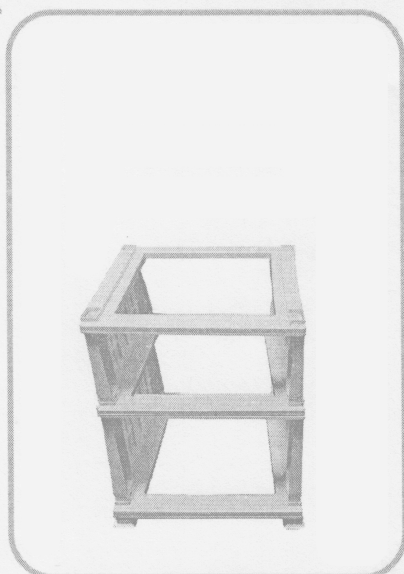

Place rectangular hoops on each floor.

3-

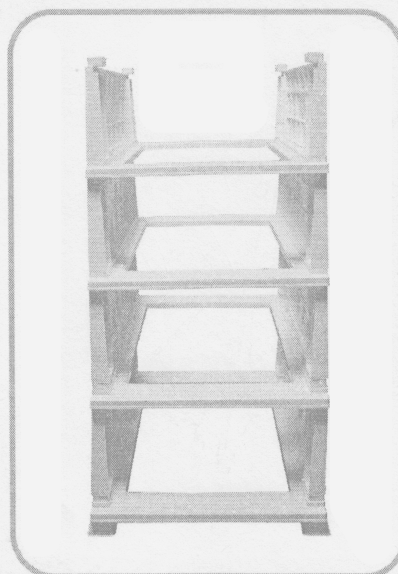

Carefully place the bedside table side covers on each floor.

4-

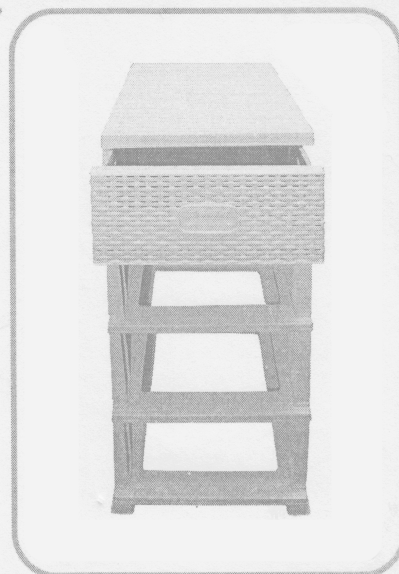

Apply the same procedure to each floor in turn.

5-

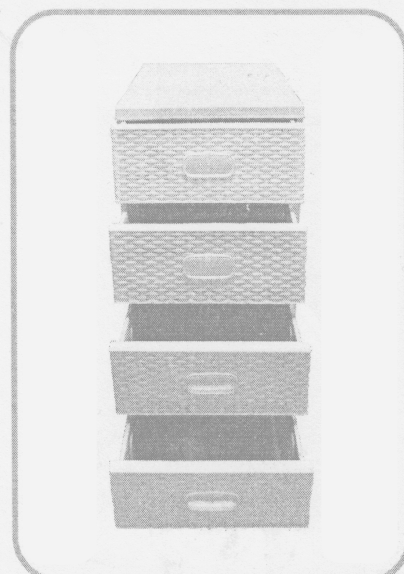

Thus, the nightstand will become a 4-row frame (picture no: 5)

6-

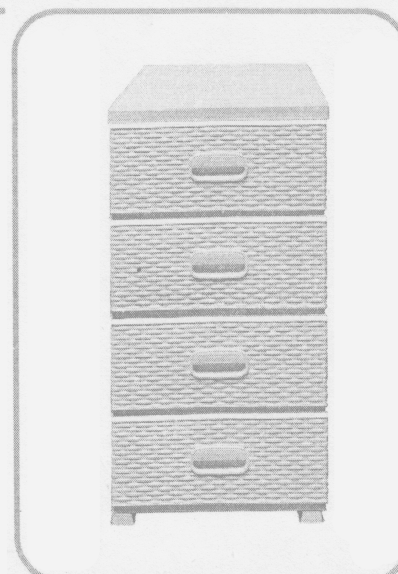

You can now start placing nightstand drawers

7-

Place all covers as in Picture No: 7 and check that they are properly seated.

8-

Your product is ready to use
