Safety Instructions

1. Avoid dropping.
2. Do not disassemble.
3. Avoid extreme temperatures.
4. Use original or certified cables.
5. Do not use any corrosive cleaner/oil to clean.
6. Do not use the device outdoors during thunderstorms.
7. Do not expose batteries to high heat as direct sun light, fire and Etc.

Notice

This product complies with the radio interference requirements of the European Community.

CAUTION RISK OF EXPLOSION IF BATTERY IS REPLACED BY AN INCORRECT TYPE. DISPOSE OF USED BATTERIES ACCORDING TO THE INSTRUCTIONS

This symbol means the product must not be discarded as household waste, and should be delivered to an appropriate collection facility for recycling. Proper disposal and recycling helps protect natural resources, human health and the environment. For more information on disposal and recycling of this product, contact your local municipality, disposal service, or the shop where you bought this product.

FCC Statement

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1)

English

This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Warning: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation.

This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures: (1) Reorient or relocate the receiving antenna. (2) Increase the separation between the equipment and receiver. (3) Connect the equipment into an outlet on a circuit different from that to which the receiver is connected. (4) Consult the dealer or an experienced radio / TV technician for help.

RF Warning Statement

The device has been evaluated to meet general RF exposure requirements. The device can be used in portable exposure conditions without restriction.

IC NOTICE TO CANADIAN USERS

This device contains licence-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic
02

English

Development Canada's licence-exempt RSS(s). Operation is subject to the following two conditions:

(1) This device may not cause interference.

(2) This device must accept any interference, including interference that may cause undesired operation of the device.

L'émetteur/récepteur exempt de licence contenu dans le présent appareil est conforme aux CNR d'Innovation, Sciences et Développement économique Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes :

(1) L' appareil ne doit pas produire de brouillage;

(2) L' appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d' en compromettre le fonctionnement.

CAN ICES-3 (B) / NMB-3 (B)

This Class B digital apparatus complies with Canadian ICES-003 (Cet appareil numérique de la Classe B conforme à la norme NMB-003 du Canada).

Consignes de sécurité

1. Ne pas faire tomber.
2. Ne pas désassembler.
3. Eviter les températures extrêmes.
4. N'utiliser que des câbles originaux ou certifiés.
5. Ne pas utiliser d'huile ou de produit de nettoyage corrosif.
6. Ne pas utiliser cet appareil en extérieur lors d'orages.

Avertissement

Ce produit est conforme aux spécifications d'interférence radio de la Communauté Européenne.

Ce symbole signifie que le produit ne doit pas être jeté avec les déchets ménagers, mais doit être déposé dans un centre de collecte approprié pour recyclage. Une mise au rebut et un recyclage adéquats permettent de protéger les ressources naturelles, la santé humaine et l'environnement. Pour plus d'informations sur l'élimination et le recyclage de ce produit, contactez votre mairie, votre service de ramassage des ordures ou le magasin où vous avez acheté ce produit.

Chargez votre SoundCore

☼ Voyant rouge clignotant	Batterie faible
● Voyant rouge fixe	En charge
○ Voyant blanc fixe	Charge complète
⚠ Pour préserver la durée de vie de la batterie, recharger au moins une fois tous les 45 jours.	

Allumer / Eteindre

Pressez	Allumer	Voyant blanc fixe
Pressez pendant 1 seconde	Eteindre	Voyant éteint

Bluetooth Couplage Bluetooth

Pressez	Entrer en mode jumelage
Pressez pendant 2 secondes	Déconnecter l'appareil associé et entrer à nouveau en mode jumelage

Voyant bleu clignotant	Mode jumelage
Voyant bleu fixe	Connectée à un appareil

Une fois allumée, la SoundCore se connectera automatiquement au dernier appareil associé si celui-ci est disponible. Sinon, elle entrera en mode jumelage.

Bleu clignotant deux fois Mode de couplage True Wireless Stereo (stéréo véritable sans fil)

Avec la technologie True Wireless Stereo (stéréo véritable sans fil), vous pouvez coupler votre SoundCore 2 avec un autre SoundCore 2 et explorer les meilleurs effets sonores avec des canaux audio gauche et droit séparés sur les deux enceintes.

Connexion via AUX

* Câble SoundLine AUX vendu séparément

Pour retourner au mode Bluetooth, retirer le câble auxiliaire de l'enceinte.

Contrôles
