PL UWAGA: Śruby i kołki do przytwierdzenia do ściany nie są dołączone, ponieważ ich rodzaj zależy od typu ściany, przy której mebel będzie montowany. W tym zakresie należy poradzić się sprzedawcy w sklepie.

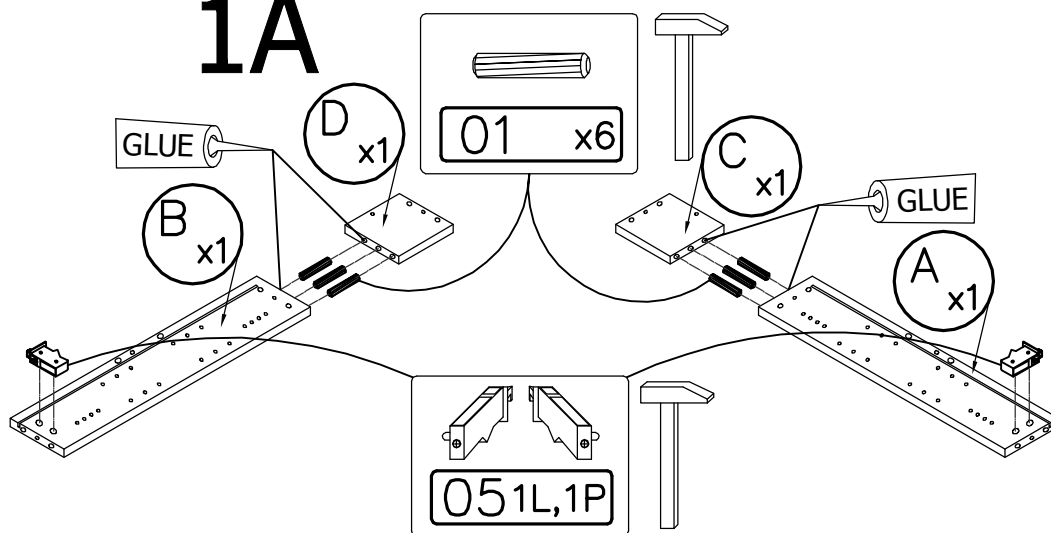

GB NOTE: Screws and wall plugs are not included, because their type depends on the type of wall, to which a piece of furniture will be installed. In this case please contact with the seller in the shop.

DE Schrauben und Dübel, für die Befestigung/Sicherung an der Wand, gehören nicht zum Lieferumfang. Verwenden Sie bitte Schrauben und Dübel passend zu Ihrer Wandbeschaffenheit. Kontaktieren Sie gegebenenfalls Ihren Händler.

Diagram 13 illustrates the assembly of two panels. The left panel is secured with two 'L' brackets (x2). The right panel is secured with one 'M' bracket (x1). A central box indicates the use of 4.0 x 16 screws (x12) and Ø35 brackets (x6). Arrows show the screws being used to secure the brackets to the panels.
