Important Safety Instructions

WARNING: Basic safety precautions should always be observed when using an electrical appliance, including the following to reduce the risk of fire, electrical shock, or injury.

Personal Safety

1. Store it indoors in a dry place out of the reach of children;
2. Always use responsibly. This appliance can be used by children aged from 10 years and above and persons with reduced physical, sensory or mental capabilities or lack of experience and knowledge if they have been given supervision or instruction concerning use of the appliance in a safe way and understand the hazards involved;
3. Don't let children play with the appliance; supervise children using or maintaining the appliance;
4. Use only manufacturer's recommended attachments as described in this manual; misuse or use of any accessory or attachment other than those recommended, may present a risk of personal injury;
5. Take extra care when cleaning stairs;
6. Keep the appliance and accessories away from hot surface;
7. Do not block the appliances openings or hinder air flow, keep openings free of any objects including dust, lint, clothing, fingers (and all parts of the body);
8. Particularly keep hair away from openings and moving parts;

Electrical Safety

1. Only use batteries and charger supplied by the manufacturer;
2. Never modify the charger in any way;
3. The charger has been designed for a specific voltage. Always check the voltage is the same as that stated on the rating plate;
4. A charger that is suitable for one type of battery pack may create a risk of fire when used with another battery pack;
5. Before using, check the charger cord for signs of damage or ageing. A damaged or entangled charger cord increases the risk of fire and electric shock;
6. Do not abuse the charger cord;
7. Never carry the charger by the cord;
8. Do not pull the cord to disconnect it from a socket, grasp the plug and pull to disconnect it;
9. Don't wrap the cord around the charger when storing;
10. Keep the charger cord away from hot surfaces and sharp edges;

Electrical Safety

11. The supply cord cannot be replaced. If the cord is damaged the charger should be discarded and replaced;
12. Do not handle the charger or the appliance with wet hand;
13. Do not store or charge the appliance at outdoor;
14. The charger must be removed from the socket before removing the battery, cleaning or maintaining the appliance.

Battery Safety

1. This appliance includes Li-ion batteries, do not incinerate batteries or expose to high temperatures, as they may explode;
2. Liquid ejected from the battery may cause Irritation or burns;
3. In an emergency situation contact professional help immediately;
4. Leaks from the battery cells can occur under extreme conditions. Do not touch any liquid that leaks from the battery. If the liquid that gets on skin, wash immediately with soap and water. If the liquid gets into the eyes, flush them immediately with clean water for a minimum of 10 minutes and seek medical attention. Wear gloves to handle the battery and dispose of immediately in accordance with local regulations;
5. Shorting the battery terminals may cause burns or fire;
6. When the battery pack is not in use, keep it away from paper clips, coins, keys, nails, screws or other small metal objects that could make a connection from one terminal to another;
7. When you dispose of the appliance remove the battery and dispose of the battery safely in accordance with local regulations.

Service

1. Before using the appliance and after any impact, check for signs of wear of damage and repair as necessary;
2. Do not use the appliance if any part is damaged or defective;
3. Repairs should be carried out by service center. Repairs by unqualified persons could be dangerous;
4. Never modify the appliance in any way as this may increase the risk of personal injury;
5. Only use replacement parts or accessories provided by manufacturer.

Intended Use

1. This appliance has been designed for domestic dry vacuum cleaning only;
2. Do not pick up liquids or use on wet surfaces;
3. Do not pick up anything that is flammable, burning or smoking;
4. Use only as described in this manual;
5. Don't use on concrete, tarmacadam or other rough surfaces.

Warning

1. Do not use water, solvents, or polishes to clean the outside of the appliance; wipe clean with a dry cloth;
2. Never immerse the unit in water and do not clean in a dishwasher.
