

WiZ Pro A67 E27 RGBTW 13W 230V

- Million of colors and dynamic light modes
- Tunable warm to cool white and pre-set light modes
- Automate your light with Schedules

Create welcoming spaces and bring the human centric lighting benefits into your application. Delivering a full variety of end user benefits, this product can be easily controlled via a smart device with an internet connection or via a 3rd party system via integration. Define schedules to turn the lights on and off according to a routine, set scenes and light modes, all to accommodate the needs of your project. Enjoy the full spectrum of this WiZ Pro licensed product, catering to the needs of each stakeholder. Install the lights wirelessly with the WiZ Pro Setup app running on Bluetooth, operate your entire lighting installation remotely via WiZ Pro Dashboard and control the lights seamlessly with the end user WiZ app.

SPECIFICATIONS		
Luminosity	Power and Connectivity	Physical
Nominal luminous flux 1521 lumens	Wattage 13W	Height 14.2cm
Wattage equivalent 100W	Lamp current 110mA	Width 7.7cm
Color temperature 2200-6500 (RGB)	Voltage 220-240V	Weight 0.1kg
Beam angle /	Frequency 50/60 Hz	Socket E27
Rated peak intensity /	Wireless Protocol Wi-Fi + Bluetooth	Intended use Indoor
Color rendering index (CRI) 90		12NC 929002449771
Nominal lifetime 15,000hour(s)		EAN/UPC-product 8719514336872
Number of switch cycles 50,000
