Why Digestive Enzymes Matter:

Digestive enzymes naturally occur in our digestive system, breaking down proteins, fats, and carbohydrates into smaller molecules for absorption. Without sufficient enzyme activity, our body cannot effectively utilize the nutrients from food. EnzyMax Complex+ provides a blend of essential enzymes to support optimal digestion and nutrient absorption.

How to Use:

Take 1 capsule per day with a meal or as directed by your healthcare provider. The 90-capsule bottle offers a 90-day supply, ensuring long-lasting digestive support.

Packaging:

EnzyMax Complex+ comes in a glass jar containing 90 vegan capsules. Each capsule is crafted with care using plant-derived cellulose capsules.

Storage:

Store in a cool, dry place, away from direct sunlight. Keep out of reach of children.
