

# LED LINEAR SUSPENSION LIGHT

Product&Family Code: 019 068 1030

**FORTIS-30 3CCT**

## Technical Data

|                                                 |                    |
|-------------------------------------------------|--------------------|
| Voltage (V)                                     | 160-265            |
| Product Wattage (W)                             | 30W/ 3CCT          |
| Equivalence with incandescent lamp(W)           | 240                |
| Colour Render Index (Ra)                        | >Ra80              |
| Colour Temperature (K)                          | 3000/4000/6500K    |
| Materials                                       | PVC + IRON         |
| Protection Class                                | II                 |
| Dimmable                                        | No                 |
| EEI ( Containing Product )                      | -                  |
| Warm-up time up to 60 %of the full light output | Instant Full Light |
| Luminous Flux (lm)                              | 2400               |
| Luminous Efficacy (lm/W)                        | 80                 |
| Rated Life (hrs) ⌚                              | 30.000             |
| IP Rating                                       | 20                 |
| Power Factor                                    | > 0.5              |
| Beam Angle                                      | 120°               |

BLACK

WHITE

## CCT ADJUSTABLE

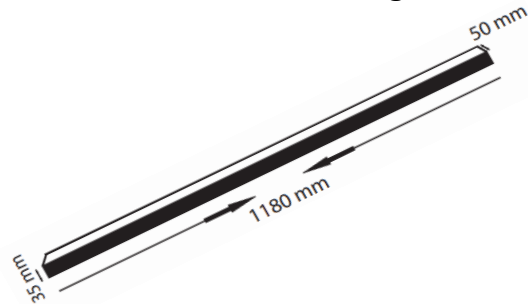

## Applications

- LED Suspension Light has been specifically designed for use indoors and is ideal for both hospitality and residential lighting.

## Technical Drawing

## Features

- High Lumen and CRI, Good quality & Constant Current driver.
- High heat dissipation, low carbon and environmental protection.
- SMD LED Lamp Base
- Very low energy consumption
