ACHIEVEMENTS AND PERFORMANCE

During the period to December 2018 Mustard Seed Communities Ireland continued to build on the great progress made in 2017.

During the period to December 2018 Mustard Seed Communities Ireland continued to build on the great progress made in 2017.

Mustard Seed Ireland established an office in Dublin and ran a number of very successful events throughout the year, including the launch of our first ever fundraising lunch in Cork.

2017 also marked the 6th year for Mustard Seed Ireland's Annual Dublin Lunch at the Mansion House, an event which has grown from strength to strength now bringing close to 500 people together in support of our cause.

Developing the 'Children for Children' Volunteer programme to Jamaica was a big focus for Mustard Seed for 2018 and we enjoyed much success recruiting almost 70 TY volunteers over four schools as part of this programme.

These fundraising events together with the success of our volunteer programmes enables us to raise awareness for our cause together with much needed funds to enable the charity to continue its work supporting the most vulnerable children in Jamaica, Nicaragua, Dominican Republic, Zimbabwe and Malawi.

Raising awareness and telling our story is critical to the success of Mustard Seed Ireland and in December 2018 the charity was fortunate to have the support of Virgin Media to launch our first ever 'text to donate' campaign on 'Ireland AM' with huge success.

Mustard Seed Ireland remains heavily dependent on our volunteer network who make our fundraising events possible. Although Mustard Seed Communities Company Limited by Guarantee do not quantify the monetary value of volunteer work (under FRS102 guidelines) we are forever indebted to our volunteers for their invaluable contribution to the organisation.

FINANCIAL REVIEW

Review of financial position

The statement of financial activities, statement of comprehensive income, statement of financial position and cashflow statement for the year ended 31 December 2018 are set out on pages 10 to 13.

Principal funding resources

The principal funding resources for the charity are the donations it receives from the public and corporations. It also receives funding from fundraising and sponsored events it hosts during the year, notably a charity lunch and sponsored cycle. The charity wishes to thank its supporters during the year, without their supporters the charity would not be able to achieve its objective.

Principal risks and uncertainties

The directors have identified that the key risks and uncertainties the charity faces is the risk of drop in donations and fundraising activities and the consequent impact that this would have on the ability of the charity to provide funds to Mustard Seed International.

The charity mitigates these risks as follows:

- The charity continually monitors the level of activity, prepares and monitors its budgets, targets and projections.
- The charity closely monitors emerging changes to regulations and legislation on an ongoing basis.

The charity has minimal currency risk and credit risk. The charity has no interest rate risk due to the fact that the charity has no borrowings.

The directors are aware of the key risks to which the charity is exposed, in particular those related to the operations and finances of the charity and are in the process of implementing systems and controls to mitigate these risks

DIRECTORS' RESPONSIBILITIES STATEMENT

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with Irish law and regulations.

Irish company law requires the directors to prepare financial statements for each financial year. Under the law, the directors have elected to prepare the financial statements in accordance with Companies Act 2014 and Charities SORP (FRS 102)."The Financial Reporting Standard applicable in the UK and Republic of Ireland" issued by the Financial Reporting Council. Under company law, the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the assets, liabilities and financial position of the company as at the financial year end date and of the surplus or deficit of the company for the financial year and otherwise comply with the Companies Act 2014.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether the financial statements have been prepared in accordance with applicable accounting standards, identify those standards, and note the effect and the reasons for any material departure from those standards; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for ensuring that the company keeps or causes to be kept adequate accounting records which correctly explain and record the transactions of the company, enable at any time the assets, liabilities, financial position and surplus or deficit of the company to be determined with reasonable accuracy, enable them to ensure that the financial statements and directors' report comply with the Companies Act 2014 and enable the financial statements to be audited. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors are responsible for the maintenance and integrity of the corporate and financial information included on the company's website. Legislation in Ireland governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of financial statements in Ireland, including the Ethical Standard issued by the Irish Auditing and Accounting Supervisory Authority (IAASA), and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

We have nothing to report in respect of the following matters in relation to which the ISAs (Ireland) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Responsibilities of directors for the financial statements

As explained more fully in the directors' responsibilities statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (Ireland) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the IAASA's website at:http://www.iaasa.ie/Publications/Auditing-standards/International-Standards-on-Auditing-for-use-in-Ire/International-Standards-on-Auditing-(Ireland)/ISA-700-(Ireland). 3. Accounting Policies (continued)

There was no unrestricted funds received in the period.

Where practicable, gifts in kind donated to the charity for distribution to the service users or for resale in charity shops are included in donations in the financial statements at their fair value. If it is impracticable to assess the fair value at receipt or if the costs to undertake such a valuation outweigh the benefits, then the income and associated expenditure is not recognised.

Expenditure Recognition

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Expenditure is recognised where there is a legal or constructive obligation to make payments to third parties, it is probable that the settlement will be required and the amount of the obligation can be measured reliably. It is categorised under the following headings:

- · Costs of raising funds;
- Expenditure on charitable activities; and
- Other expenditure represents those items not falling into the categories above.

Financial Instruments

Cash and cash equivalents

Cash consists of cash on hand and demand deposits. Cash equivalents consist of short term highly liquid investments that are readily convertible to known amounts of cash that are subject to an insignificant risk of change in value.

Other financial liabilities

Trade creditors are measured at invoice price, unless payment is deferred beyond normal business terms or is financed at a rate of interest that is not a market rate. In this case the arrangement constitutes a financing transaction, and the financial liability is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.
