

Return Shipping Instructions

In the event that it becomes necessary to return AML products, please follow these simple instructions to ensure that shipments are not delayed and service turn-around time is minimized.

* Anti-foulant paint/coatings applied to the instrument for in-field use must be removed prior to the units' return. Under shipping regulations these products could be considered hazardous goods.

1. Contact customer service at AML Oceanographic for an RMA (Return Materials Authorization) number via service@AMLOceanographic.com or call +1-250-656-0771.

2. Please fill out commercial invoice for shipping to Canada with the following information clearly stated:

- i. Full and complete product description
- ii. Instrument Serial Number and HS Code 9015.80.80
- iii. Value for customs purposes only
- iv. **Goods manufactured in Canada, returning for evaluation**
- v. Customs Broker :
FedEx Trade Network || Contact: FTNC_Air_Shipments@ftn.fedex.com

3. Fax or email a copy of the commercial invoice and shipment waybill to AML Oceanographic. Fax: +1-250-655-3655 || Email: shipping@amloceanographic.com

4. If shipping the instrument via airline or air freight, please ensure that the airport of destination is Victoria (YYJ) **NOT** Vancouver. Unless prior authorization is obtained, invoices received by AML for costs associated with inbound shipments will be recovered.

We suggest that you use the following as your Shipping Label:
