# About Us

75%  
OFF

## tSt Aviation

tSt Aviation, established on February 26, 2007, provides consultancy for transactions including aircraft & technical assets, wet leasing, charters, consultancy for services including airline start-ups, fleet planning & restructuring, and regional/country representations for leading Commercial Aviation Companies.

For further information about our capabilities and reference projects, please visit us from <https://www.tstaviation.net>

## 22 years of Aviation Experience

Consulted ATR, Goldman Sachs, Crestone Air Partners, Fortress, SB Leasing, Bellinger Aviation, Turkish Airlines, Kalitta Air, Hifly, APOC Aviation and many more...

## Aviation Match Maker

Aviation Match Maker ("AMM"), trademark of tSt Aviation, is a bootstrapping project, an online Sourcing & Remarketing Platform via Listings & RFPs and Global Networking with Company Excel Files for Commercial Aviation Professionals.

It provides Commercial Assets and Flights at launch with a further extension aimed to enter Parts, Materials, Tools & Equipment, Maintenance/Repair and Airport Service Providers.
