Every tip you check off helps you avoid unwelcome surprises later. The more you check, the safer your car deal.

Do these checks before buying a car:

An expert mechanic can spot hidden issues you might miss. Here's what to do next:

- [ ] Book a pre-purchase inspection at an independent or authorised service
- [ ] Ask the mechanic to check key systems: engine, brakes, suspension, electronics
- [ ] Request written notes or a report of any issues found

- [ ] **Ask for service records**

Service records show how well the car has been looked after. Here's what to do next:

- [ ] Ask the seller for the car's service book or maintenance records
- [ ] Check for regular oil changes, filter replacements, and timing belt work
